1. Check your garments

If the items you wish to return have dirty marks of any kind, do not have the tags attached, smell like perfume or have been visibly worn, we cannot accept your return. Please ensure all garments are as new before returning.

2. Package your return

You may use your own packaging or the satchel your order arrived in, however please remove or cover any old labels. Don't forget to put this sheet inside your parcel!

3. Post your return

Take your return to your nearest post office and retain proof of postage.

We recommend using a trackable service. Unfortunately at this time we do not offer free returns.
