

Prestige Novated Lease

Save thousands on your next car.

The Prestige Novated Lease is an exclusive Easi product available to eligible government employees.

The Prestige Novated Lease gives employees access to the highest level of savings via Government Fleet discount. With the addition of paying no stamp duty along with concessional registration. This means you can save thousands of dollars, while also receiving all of the other benefits available through a Novated Lease. Easi also help you monitor your driving habits and car expenses to ensure the Novated Lease budget stays on track.
