| Summary: | SLSWA will be running two Nipper Clinics during the coming season. Clubs are to enter participants through SEMS. |

SLSWA is committed to providing quality experiences for our Woodside Nippers through our Clinics and Surf Sports Carnivals. In the 2019/20 season we will be running two Clinics. Both clinics are free to registered SLSWA Woodside Nippers. At the conclusion of each clinic there will be presentations.

SunSmart WA Surf League Nipper Clinics

The clinics will run in conjunction with a round of the SunSmart WA Surf League. The SunSmart WA Surf League will showcase the top Western Australian Surf Sports Athletes in a team orientated event. These two clinics will not only develop age appropriate water and beach skills for those Nippers participating but will also provide them with the unique opportunity to mingle with our state's top athletes.

Limited spaces are available at these clinics and registration will be through the [SLSA Sports Event Management System \(SEMS\)](#). To apply for SEMS access, complete a [Form49](#) and lodge by emailing sems@slsa.asn.au. There is a [SEMS User Guide](#) available to assist in the entry process.

Only 12 members (eg 6 from one age group, 6 from the other) will be able to be selected by each club with an overall total number of participants capped at 100. After the closing date, clubs will be advised of the Nippers that are able to attend. **Only those Nippers on the published list will be able to attend** and we will endeavor to have this list out the weekend before the clinic so clubs can advise their Woodside Nippers the Sunday prior. Because we are using the SEMS system, we will be able to email the parents of participants directly about the details of the clinic in the week leading up to the clinic.

Please note in the Table below when the closing dates are for each clinic.
