All submissions on draft park management plans are carefully reviewed against the following criteria:

1. provided additional information of direct relevance to management;
2. indicated or clarified a change in Government legislation, management commitment or policy;
3. proposed strategies that would better achieve or assist with management objectives;

4. prompted a re-consideration of the objective and/or strategy and results in an alternative objective and/or strategy for the park;
5. was an alternate viewpoint received on the topic and is considered a better option than that proposed in the draft plan; or
6. indicated omissions, inaccuracies or a lack of clarity.
7. addressed issues beyond the scope of the plan;
8. was already in the plan or will be considered during the development of a subordinate plan;
9. offered an open statement, or no change was sought;
10. clearly supported the draft proposals;
11. was an alternate viewpoint received on the topic but the recommendation of the draft plan amendment was still considered the best option;
12. was based on incorrect information;
13. contributed options that are not possible (generally due to some aspect of existing legislation or Government policy); or
14. involved details that are not appropriate or necessary for inclusion in a document aimed at providing management direction over the long term.

Feedback meeting criteria 1-6 (above), result in an alteration to the draft park management plans that have been released for consultation. Feedback meeting criteria 7-14 do not result in an alteration.

A summary of all feedback received and any changes arising is provided in Table 2.
