SLX lights are the perfect match for the AstralPool Connect range of automated controllers, giving you a variety of ways to fully control your lights.

SLX MULTICOLOUR POOL AND SPA LED LIGHT

The new Astralpool SLX Lights are the latest in LED Light technology and encompass features not found in other lights.

DAZZLING COLOURS

With 7 standard colours to choose from, the SLX Lights can be matched to give the perfect enhancement to your pool at night. With 3 Colour Transition Modes, (Smooth, Fade and Disco) pool parties are elevated to the next level.

BRIGHTNESS CONTROL

We have even thought to add 3 brightness levels so not only can you select the right Colour or Mode for your surrounds, you can even choose the right level of output as well.

SLIM DESIGN

The slim profile allows for minimum intrusion into the pool maintaining the sleek modern look of today's pools and the one piece moulding prevents any water ingress.

FOR ALL POOLS

With Niche Kits to suit Concrete or Fibreglass installations, Surface Mounts for Vinyl and Fibreglass and Retro Fit Kits available to replace outdated pool lights the SLX Lights are suitable for every pool.

SMART CONNECTIVITY

Transformer

- Transformers are available to control 2 or 4 lights from the one transformer.

Connect Lite, Viron and Viron eQuilibrium Chlorinators

- Use the onboard timers on the Viron or Viron eQ chlorinators to control your SLX lights through a Connect Lite
- Adjust colours and timers using the ChlorinatorGo APP
- Each Connect Lite can power up to 4 lights in 1 zone
- Using 2 or more Connect Lites gives the ability to control 2 zones of lighting

Connect Lite+

- If you want to control more than just lights, the Connect Lite+ gives the ability to add timers to lights and can power 4 lights in 2 zones, along with 2 other pieces of pool equipment
- If you require more lights, simply add a Connect Lite to your Connect Lite+ and you can power an additional 4 lights

Viron Connect

- You can use the Viron Connect power outlets to power transformers for 2 or 4 lights per transformer
- If you have utilized all of the Viron Connect power outlets on other pool equipment and lights, you can still connect 2 Connect Lites via an RJ12 cable to power up to 8 more lights in 2 zones

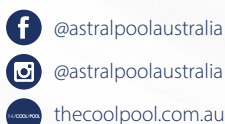

Being AstralPool Connect compatible, when you connect the SLX Lights to the Connect Lite + or Viron Connect, you can also install the Internet Gateway to get 24/7 access through the ConnectMyPool App or Virtual Pool Care. The Touchscreen is also required for Connect Lite+ connection to the Internet Gateway.
