Reason there are fewer than three comparable properties

☒ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Completed 9 bedrooms rooming house project. There are limited recent comparable sales available for this property, with insufficient similar transactions occurring within a relevant timeframe to provide a reliable direct comparison. Consideration also needs to be given to the individual condition and characteristics of the property.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
