Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are insufficient comparable sales available for 25 De Regent Drive, Creswick, within the relevant period to provide three sales that are considered genuinely comparable.

The property has a combination of characteristics, including its location, land size, dwelling features and overall property offering, which makes it difficult to identify recent sales of properties with sufficiently similar attributes. While other properties may have sold within Creswick during the relevant period, their differences in land size, dwelling size, condition, location or features mean they would not provide a meaningful comparison for determining the estimated selling price of this property.

Accordingly, fewer than three comparable properties have been identified that are considered sufficiently similar to 25 De Regent Drive, Creswick, to be relied upon for the purposes of the PPS.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
