Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No sufficiently comparable sales were identified within a 5 km radius during the past 18 months. This rural property occupies a large allotment. No sales in the search area were considered sufficiently comparable in location, bedroom and bathroom configuration, car accommodation and land size. Accordingly, no comparable sales are listed

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
