Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

We are unable to provide the additional 2 comparable vacant land recent sales as there are no other comparable vacant land sales within a 5km radius and 18 month period matching the features of a sloped block around 1352m.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
