Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Due to the property's unique features, including 4 bedrooms, 2 bathrooms, and double garage and a land size of 312, there were insufficient genuinely comparable properties sold within the prescribed area and timeframe.
Therefore, three suitable comparable sales could not be identified
