## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Two comparable sales have been identified within the required distance and sale period. These were selected for their similar land sizes and three-bedroom accommodation, with differences in bathroom numbers, parking, presentation and internal floor area taken into account. No third sufficiently comparable sale was identified.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
