Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Only two properties recently transacted meet the parameters of the PPS, although they are not directly comparable but are to be used as a guide.

-73 Whites Road. A more modern, superior dwelling with inferior shedding.

-10 Ibis gardens court. A superior dwelling, in a superior location with superior shedding.
