## Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Fewer than three comparable sales have been selected for the land at 36 Lucania Crescent, Tarneit, as there is a limited number of recent land transactions that are sufficiently comparable to the subject property in terms of location, land area, dimensions, zoning and overall development characteristics. Accordingly, only the most relevant and reliable available sales have been considered.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
