## Reason there are fewer than three comparable properties

**I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

I reasonably believe that fewer than three genuinely comparable properties were sold within the prescribed period and distance.

The subject property is approximately one year old and presents to a near-new standard, with a number of upgrades, inclusions and modern finishes that are not commonly found in the properties recently sold within the immediate surrounding area.

Although there have been other sales within the prescribed radius and time period, those properties differ materially in their age, condition, level of upgrades, quality of finishes, overall presentation and/or accommodation. The subject property also benefits from its particular location and proximity to local amenities.

After reviewing the available recent sales, I was unable to identify three properties that I reasonably considered to be of a sufficiently similar standard and condition to provide a reliable comparison. Accordingly, fewer than three comparable

properties have been relied upon when determining the estimated selling price.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
