Comparable property sales

These are the three most comparable properties to the property for sale that were sold **within two kilometres** of the property for sale **in the last six months**.

If there were fewer than three, but one or two, comparable properties, these must be included below.

These properties were used to help determine the estimated selling price.

Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Compliance File Note – Comparable Sales Selection:
Subject property: 67 Castello Drive, Deanside.

Following a review of recent sales within the prescribed search area and period, only two properties were considered sufficiently comparable to the subject property for inclusion in the Property Price Statement.

The sale at 3 Locust Road, Aintree, was reviewed but excluded for the following reasons:

- Located in Aintree, within a materially different estate and locational setting
- Provides five bedrooms and two bathrooms, compared with five bedrooms and three bathrooms at the subject property
- Offers an inferior level of construction, finishes and overall fit-out

-Does not provide a reliable like-for-like comparison with the subject property's brand-new, high-specification build, accommodation and overall presentation

Although 3 Locust Road is approximately 1.7 kilometres from the subject property and sold for \$835,000 on 15 August 2026, proximity alone does not make it genuinely comparable.

In my professional judgement, including this sale could create a misleading comparison. No third recent sale was identified that was sufficiently similar in location, accommodation, build quality, condition and overall standard to warrant inclusion. Accordingly, the PPS contains the two most relevant and reliable comparable sales available.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
