## Reason there are fewer than three comparable properties

- ☐ I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

The agent has undertaken research of recent land sales within the surrounding area. While a number of properties have sold within the broader locality, the agent has been unable to identify three sales that satisfy the prescribed comparable property requirements and are sufficiently comparable to 1 Mississippi Avenue, Clyde Vic 3977.

1 Mississippi Avenue, Clyde is a 615m<sup>2</sup> titled corner allotment with a park and wetlands outlook, no easements and potential for side access. These characteristics, together with its land size and position within the estate, distinguish it from a number of the other recent sales identified. Accordingly, fewer than three qualifying comparable sales are available for inclusion in this Statement.

## Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
