Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The estate agent reasonably believes that fewer than three comparable properties have sold within a two-kilometre radius of the property in the past six months. This is due to the unique combination of the home's relatively recent construction and the inclusion of a swimming pool, with limited properties offering similar features having sold in the surrounding area during this period.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
