Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Two comparable properties sold within 2 km and the relevant six-month period were taken into account in determining the estimated selling price. The agent believes fewer than three comparable properties sold within that period because the other sales reviewed differed materially from the subject in dwelling style, size or layout, standard of finish, land size or outdoor usability.
