Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

There are no comparable properties within the defined search parameters, as the two allotments are being marketed collectively as a proposed childcare centre development site. No directly comparable properties have been identified within the specified boundaries.
