Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

A review of recent comparable sales has been undertaken for 28 Windsor Rise, Sunbury, focusing on properties sold within a 2-kilometre radius over the past six months.

There is only one property identified that provides a relevant comparison within the specified area and timeframe. 73 Stewarts Lane, Sunbury, is the only similar property that has sold within 2 kilometres of 28 Windsor Rise during the past six months.

Due to the limited number of comparable sales available, the assessment of 28 Windsor Rise should also take into consideration the property's individual features, condition, land size, accommodation, location and overall presentation, together with current buyer demand and broader market conditions.
