Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There are currently no comparable properties sold within a 2km radius of the subject property in the last six months. While one property did sell in that area, it features a land size of 802m², whereas this property is 881m².
