Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The available properties within the search area were reviewed; however, they were not considered sufficiently comparable to the subject property due to differences in property features, land size, condition and overall market value. Therefore, the estimated selling price was assessed based on the subject property's individual characteristics and available market evidence.
