Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

There were limited comparable property sales available within the relevant period. Only one suitable comparable sale was identified to support the estimated selling price, so the price range was determined based on the available sales evidence and the subject property's features, location and land size.
