Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

Only one comparable property was available within the relevant area and period for consideration. Despite our efforts to identify additional suitable comparable sales, no other properties were found that were sufficiently comparable to the subject property. Therefore, the estimated selling price has been assessed based on the available comparable sale and other relevant market information.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
