Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

No suitable comparable properties were available within the search results that closely matched the subject property's configuration, layout, features and overall characteristics. Therefore, the estimated selling price was assessed based on the subject property's individual characteristics and available market evidence rather than relying on these sales as direct comparables.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
