Reason there are fewer than three comparable properties

X **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

The estimated selling price has been provided as a single price rather than a price range. There have also been limited comparable sales within the past six months, particularly properties with a similar land size, location and overall property characteristics. As a result, fewer than three properties were considered sufficiently comparable for the purpose of determining the estimated selling price.

Sale Outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
