Reason there are fewer than three comparable properties

☐ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

The reason these comparables were chosen is that we couldn't find any other comparables within the 2km radius, these properties were similar in size, some may differ with land size, even though some are 4 bedroom properties, I believe they are comparable to some extent.
