Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

1BR homes are almost non-existant, so I've had to look at 2BRS. I tried really hard to incorporate a third sale at 21 Essex Street Footscray which sold for $690k - also a 2BR home in Footscray but this platform wouldn't accept it as a sold property.
