Reason there are fewer than three comparable properties

☒ **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

Reason for No Comparable Sales - Due to the unique characteristics, condition and location of the property, there are no recent sales considered sufficiently
comparable to provide a reliable indication of market value. The property's individual attributes, features, overall condition and positioning within the market make direct comparisons with other properties difficult. As such, no comparable sales have been included in this report.
