Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[*Insert N/A if there were three comparable properties*]

There are no sales in the area in the last 18 months on a similar land size and age without a pool. This home is also positioned on a rare block that doesn't have the same gradient as others as it is relativley flat and offers exceptional views. The view alone is quite a rare aspect to this home. Batesford only has approx 365 homes in total so therefore the number of transactions on a annual basis is quite low.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
