Reason there are fewer than three comparable properties

I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.

Explain the reason the agent or agent's representative believes that fewer than three comparable properties:

[Insert N/A if there were three comparable properties]

Due to the limited number of directly comparable sales available in Essendon West, only the most relevant comparable properties have been selected. The subject property is unique in its custom-designed and built layout, differing from a standard three-bedroom townhouse, with the inclusion of an additional cinema room providing a rare feature within the local market.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
