

12 Reasons to Choose Tommy's

01

Your reason for selling remains confidential at Tommy's.

02

We insist that all our salespeople see all properties in all suburbs, because that maximises the opportunity to find the right buyers.

03

We never forget that our vendors pay our fees - we are committed to working in your best interests.

06

Our salespeople are professionally trained by a range of industry specialists, including some of Wellington real estate's most successful salespeople, trainers and motivators.

05

Due to the amount Tommy's spend on advertising, we are able to get media rates that are well below the retail public rates. Our clients benefit from these lower rates.
