

CHARTERS TOWERS COMBINED AGENTS STORE SALE MARKET REPORT Friday – 26th June 2026

**Charters Towers Combined Agents yarded a total of 1,930 Store Cattle.
Consisting of 539 Steers, 232 Mickeys, 1,088 Heifers, 4 Store Cows and 67 Cow & Calf units.**

With a reduced yarding of store cattle on offer for today's auction, the market was seen to be softer in most categories, mainly due to the lack of some usual buyers not attending the sale. Cattle yarded were of good quality with some good runs of lighter weight Steers, Heifers and Mickeys on offer.

The yarding was drawn from Lakeland, Georgetown, Greenvale, Belyando, and Collinsville as well as local and coastal areas.
