

CITY-TO-SURF

THE DAY THEY ALL WENT

★ THEY turned out in their thousands: runners and their families and the folk who came along simply to cheer them on.
★ The front runners in the City to Surf were in it for the cups... and the glory.

★ For most of the others, though, the object of the day was to have a lot of fun.
★ So they hula-ed their way from Park Street to Bondi.
★ They took their dogs for the trot.
★ The Phantom made a quick

appearance - thoroughly enjoying himself.
★ The kids were pushed to the beach in their strollers.
★ Even the Golden Oldies were striding it out with the best of them. They simply set their own pace!

CITY-TO-SURF

TO BONDI IN REAL STYLE

★ And there was the couple of chaps who wore the masks their firm manufactures. Loyal to the cause!
★ The City to Surf is turning out to be the fancy dress event of the year.
★ And, although there was a bit of drizzle along the way, it didn't

dim the fun runners' sense of humour.
★ Convicts, bikies in bikinis, ballet dancers... the whacker the better.
★ Now it's time to start planning for the BiCentennial run!

AND the picture that sums it all up... it's boaters off to yet another fun run finale at Bondi Beach.
