**Congratulations to 5 lucky Sun City to Surf finishers who have been awarded a trip to run in Tokyo in 1988**

- They are:**
- **BRAD CAMP**  
1st Australian across the line
  - **NICOLA CORBIN**  
1st Australian woman to finish
- and three finishers selected as community participants:
- **ANTHONY FORD** of Canberra
  - **SUZU WALSHAM** of St. Ives
  - **DESMOND CALLAGHAN** of Kings Cross

In 1984 the NSW State Government and the Tokyo Metropolitan Government commenced a Sister State exchange of athletes.

The first event selected was The Sun City to Surf - five Australian finishers went to Tokyo in January as guests of the Tokyo Government and ran in the Tokyo Citizens' Health Run carried by Japan Air Lines.

Again, The Sun is pleased to be associated with the NSW State Government and Japan Air Lines in making it possible for these awards to be made.

The five Sun City to Surf runners will be honoured guests aboard Japan Air Lines in January next year when they travel to Japan to participate in the Tokyo Citizens' Health Marathon.

Japan Air Lines is the world's largest 147 plane airline in terms of passengers and cargo carried.

JAL flies to 56 cities in 35 countries with a lane taking off or landing somewhere in the world every three minutes.

JAL's serene service and comfort are legendary among frequent travellers.

## We're having a ball!

The gang of Larikin Hash House Harriers found together some thing of a trial. "Pity those poor guys that kept running into me. The result: it took the team well over an hour to complete the course. But the gang has big plans for the 88 Centenary run - for one thing, the team will be picked with great care!
