Certificate and Recommendation of Commanding Officer

I certify that I have checked the statement of service of —

Army No 210824 Rank WO2 Name J.H. ETCHELLS

with the supporting documents available and found them to be correct.

I consider his character and conduct to have been irreproachable and recommend that he be awarded The Medal for Long Service and Good Conduct, (Military).

Date 11 May 70 .....

Commanding B SQN 3 CAV REGT

Recommendation of Formation, etc, Commander

Recommended

Date 23 MAY 1970 .....

Commanding Brigadier Commander 1st Australian Task Force

Notes in Regard to Statement of Service

1. Particulars of service claimed as qualifying service are, as far as possible, to be supported by documentary evidence (eg, Discharge Certificates) or by reference to official records, such as unit nominal rolls, etc.

2. A certified copy of the soldier's regimental and, where available, company conduct sheets and a certified record of convictions by civil courts, together with the documentary evidence referred to in Note 1, are to be forwarded with this form.

3. The total service shown in the Statement of Service will be divided into periods, service in each rank and in different forces being shown in separate periods. For purposes of reference, each period of service will be given a number in sequence in the first column of the statement.

4. When changes in rank necessitate continuous service being shown in more than one period it is not desired that length of service in each rank should be computed. Only the totals of continuous service in a unit or force will be entered in the column headed "Period of Qualifying Service".

LOSS OF LS AND GSM
24352 WO1 CHALKER - 198 WKS SECT

1. The abovenamed member, through his Unit, made enquiries on 30 Jan 70 as to why he had not been presented with the above medal.

2. Investigation by this Headquarters has shown:

a. Medal was sent from HQ AFV to HQ 1 ATF on 7 Aug 69 and that HQ AFV hold a receipt for the medal.

b. The previous SCA 1 ATF received the medal, but cannot remember what he did with it. It was not handed over to the present SCA.

c. That a parade for presentation of the medal was to be held on 25 Aug 69. This parade was never held.

3. The SCA (MS) HQ AFV and the SCA 1 ALSG, have both conducted searches on behalf of HQ 1 ATF, but the medal was not located at either Headquarters.

4. A thorough search of HQ 1 ATF has failed to located the medal.

5. It is requested that another medal be issued, so that WO1 CHALKER may be presented with his medal before his RTA on 16 Apr 70.

Commanding Commander 1st Australian Task Force

Notes in Regard to Statement of Service

1. Particulars of service claimed as qualifying service are, as far as possible, to be supported by documentary evidence (eg, Discharge Certificates) or by reference to official records, such as unit nominal rolls, etc.

2. A certified copy of the soldier's regimental and, where available, company conduct sheets and a certified record of convictions by civil courts, together with the documentary evidence referred to in Note 1, are to be forwarded with this form.

3. The total service shown in the Statement of Service is to be divided into periods, service in each rank and in different forces being shown in separate periods. For purposes of reference, each period of service is to be given a number in sequence in the first column of the statement.

4. When changes in rank necessitate continuous service being shown in more than one period it is not desired that length of service in each rank should be computed. Only the total of continuous service in a unit or force is to be entered in the column headed "Period of Qualifying Service".

Certificate and Recommendation of Commanding Officer

I certify that I have checked the statement of service of —

Army No 24168 Rank WO1 Name S.N. PENHALIGON

with the supporting documents available and found them to be correct.

I consider his character and conduct to have been irreproachable and recommend that he be awarded The Medal for Long Service and Good Conduct, (Military).

This WO's devotion to duty and bearing is of the highest order. He has worked hard to raise the standard of discipline and dress within the unit and is strongly recommended for the award of the LS&GC medal.

Date 19 May 69 ..... Lt Col

Commanding 4 Fd Regt RAA

Recommendation of Formation, etc, Commander

Recommended

Date 21 MAY 1969 .....

Brigadier

Commanding Commander 1st Australian Task Force

Notes in Regard to Statement of Service

1. Particulars of service claimed as qualifying service are, as far as possible, to be supported by documentary evidence (eg, Discharge Certificates) or by reference to official records, such as unit nominal rolls, etc.

2. A certified copy of the soldier's regimental and, where available, company conduct sheets and a certified record of convictions by civil courts, together with the documentary evidence referred to in Note 1, are to be forwarded with this form.

3. The total service shown in the Statement of Service will be divided into periods, service in each rank and in different forces being shown in separate periods. For purposes of reference, each period of service will be given a number in sequence in the first column of the statement.

4. When changes in rank necessitate continuous service being shown in more than one period it is not desired that length of service in each rank should be computed. Only the totals of continuous service in a unit or force will be entered in the column headed "Period of Qualifying Service".

1. Forwarded for consideration is a revised application for the above award with supporting documents.

2. The member served during the 39-45 War and was discharged on demobilization, however he enlisted in Oct 50 with the rank of T/Sgt. He could not apply earlier counting his War Service because of his break in service.

3. Attached AAF A39 are as complete as can be established, however several supporting PO's and RO's could not be found nor could the relevant numbers be quoted. Certificate and Recommendation of Commanding Officer

I certify that I have checked the statement of service of —

Army No 31311 Rank SGT Name P W COSTELLO

with the supporting documents available and found them to be correct.

I consider his character and conduct to have been irreproachable and recommend that he be awarded The Medal for Long Service and Good Conduct, (Military).

Although Sgt Costello's Conduct Sheet is without entry for only nearly nine years instead of the required ten years, it is recommended that an exception be made in this case because of his exemplary service in Vietnam.

RECOMMENDATIONS FOR LONG SERVICE AWARDS

Reference: AHQ A81/1/525 (A3) of 30 Oct 59 (copy attached).

1. It has been found that recommendations relating to the award of the Medal for Long Service and Good Conduct (Military) and The Meritorious Service Medal vary considerably in interpretation by Commanding Officers of what constitutes Irreproachable Conduct.

2. Some of the variation in standards basically stems from incorrect regimental conduct sheets and attention has previously been directed to the AMR governing the entries to be included in these sheets.

3. Mostly, however, the variation occurs through application of the suggested standards in the attached reference. In this case, it should be noted that the suggested standards are proposed as a minimum standard and not as either a maximum standard or even as a standard.

4. In amplification of these minimum standards the following interpretation is used at AHQ:

a. The regimental conduct sheet must be clear of any entry (as determined by the AMR) for the last 10 years or 14 years as appropriate.

b. Any service prior to penal servitude, imprisonment, detention, field punishment or reduction in rank is cancelled out by such an award and the qualifying period commences on the expiration of the sentence.

c. Civil offences such as parking and certain traffic offences are classified as minor but other civil offences e.g. driving under the influence, are not. Each civil conviction therefore needs to be examined carefully.

5. It is requested that Commanding Officers examine each recommendation critically and without being over harsh ensure that the LS & GCM, for example, does not become an "18 years long service and 10 years good conduct" medal.

RECOMMENDATIONS FOR LONG SERVICE AWARDS

1. Regulation 5 (1) (d) of the Regulations relating to the medal for Long Service and Good Conduct (Military) states that a soldier of the Permanent Military Forces of the Commonwealth is qualified to receive the medal if his character and conduct have been irreproachable.

2. The aim of this memorandum is to lay down certain conditions to guide a Commanding Officer in recommending a member for the award of the LS and GCM, and the Meritorious Service Medal (MSM).

3. Entries which will be made in the regimental conducts sheets of WOs and ORs are laid down in AMR & O 1240. For the purpose of deciding irreproachable conduct the following minimum standards will apply:

(a) A regimental conduct sheet clear of entries, for the last 10 years of the qualifying period of 18 years service for the LS & GCM, and for the additional 4 years for the MSM.

(b) No awards of penal servitude or imprisonment since enlistment.

(c) No awards of detention or field punishment.

(d) No reduction in rank for misconduct.

4. Convictions for civil offences of a minor nature, such as parking and minor traffic offences should be ignored.

5. When forwarding recommendations for long service awards Commanding Officers will ensure that a copy of the Regimental Conduct Sheet is attached.

CIVIL OFFENCE - 210248 Cpl W.H. CANDY

1. In July 1953, I was approached by Cpl D. YOUNG of 1 R.A.R. and he asked me to assist him with transport to deliver 1,000 rounds of .303 ammunition to the local gunsmith.

2. Subsequently, a few weeks later, the C.I.B. contacted me and informed me that Cpl YOUNG and I were being charged with stealing the above goods.

3. This was the first time that I was aware that the goods were stolen property and after a court case I was awarded a £25.00 bond and put on a six month good behaviour period.

MEDAL FOR LONG SERVICE AND GOOD CONDUCT

(MILITARY)

[redacted]

Reference :- B Cand 65/50/417 (A2) of 31 Aug 65.

1. The reference indicated that the NCO under consideration for the award had not fulfilled the minimum requirements for such an award to be approved.

2. This objection is based on an offence which occurred on 10 Jul 53 and which was dealt with by civil court. It is of note that the court did not impose any sentence comparative to that which could have been awarded under a court of military jurisdiction.

3. From the records, it is apparent, that, as CAUNT was only placed on bond of £25, and, this was itself cancelled within six months as he was not recalled by the court. Thus, from a military viewpoint, it is a judgement of dismissal and would not appear in the soldiers record of service.

4. This NCO has now completed seventeen years and eight months service with the Australian Military Forces and this includes service in every theatre in which Australian Forces have served since 1945. This includes two tours in Korea. Under the terms of existing regulations as amended 1956. Sgt CAUNT should become entitled to this medal not 21 Feb 1968 on completion of eighteen years full time service AMF.

5. It is requested that this be made the subject of a formal submission to D.A.G. AMF for a decision to be given. It will be recalled that this matter was discussed with the D.A.G. on his visit to this theatre in September this year.
