Certificate and Recommendation of Commanding Officer

I certify that I have checked the particulars of Service of —

Army No 2210495 Rank WO1 Name P.G.GOODCHILD

with the supporting documents available and found them to be correct.

For the reasons set out hereunder* I consider that he has displayed ability, zeal, and devotion to duty above the average, and that he is in every way worthy of the distinction that would be conferred by the award of The Meritorious Service Medal. I accordingly recommend that this medal be awarded to him.

* (Full details to be furnished)

WO1 Goodchild is a mature, hardworking, senior and highly respected soldier who has given his life to communications in R Sigs and RA Sigs. His opinions are valued and he has reached the peak of operating efficiency as an experienced Communication Centre Supervisor. He has definitely earned this award.

Notes in Regard to Statement of Service

1. Particulars of service claimed as qualifying service are, as far as possible, to be supported by documentary evidence (eg, Discharge Certificates) or by reference to official records, such as unit nominal rolls, etc.

2. A certified copy of the soldier's regimental and, where available, company conduct sheets; a certified record of any conviction by a civil court, and documentary evidence referred to in Note 1, are to be forwarded with this form.

3. The total service shown in the Statement of Service will be divided into periods, service in each rank and in different forces being shown in separate periods. For purposes of reference, each period of service will be given a number in sequence in the first column of the statement.

4. When changes in rank necessitate continuous service being shown in more than one period it is not desired that the length of service in each rank should be computed. Only the totals of continuous service in a unit or force will be entered in the column headed "Period of Qualifying Service".

1. It appears to have been the practice in AFV for these awards to be forwarded to IATF or ALSG for presentation under local arrangements

2. Previous COMAFV was known to request that he present some (see Flag A).
