RATIONED UNITS

To facilitate checking blue ink will be used to mark attendance of members rationed, and red ink for those not rationed (leave, detached, etc). Red ink will normally be used for all entries in respect of members "living out" — if for special reasons they are given permission to "live in" blue ink will be used.

7. Where a member is transferred or otherwise struck off strength, or is promoted or reverted, spaces allotted to parades held on or after the date of the personal occurrence will be ruled out in red ink and the appropriate notation (see para 10 below) will be made in the "Remarks" column against the entry.
8. Where a member is promoted or reverted, after action has been taken in accordance with para 7 above, his name will be entered on the line immediately below that of the last member of the rank to which he is promoted or reverted and spaces allotted to parades held before the date of the personal occurrence will be ruled out in red ink.
9. Where a member is transferred in or otherwise taken on strength, spaces allotted to parades held before the date of the personal occurrence will be ruled out in red ink and the appropriate notation (see para 10 below) made in the "Remarks" column against the entry.
10. Notations made in the "Remarks" column will include the nature and date of the personal occurrence and the authority for it, eg, promoted T/Cpl 2 Mar 56, RO 18/56.

12. The roll will be called direct from the platoon roll book, and entries of attendance or absence will be made therein at the time in ink or indelible pencil; after it has been called —
 - (a) the names of all personnel entered as absent will be called again and any error will be corrected immediately;
 - (b) the officer commanding the parade will check the entries of attendance and absence at the parade and will initial the column of entries in the space provided for the purpose.
