Officer Commanding,
28th Field Embulance.

I beg to apply for release from military service as soon as possible on the following urgent private grounds:-

I am the sole surviving son, since my brother was killed in action on Oct.3rd last.

My mother is a widow and I am now her only means of support.

I have an only sister who is married.

It is therefore necessary for me to return to Australia to arrange for my mother's welfare.

Might I be allowed to point out that I have had continuous service since Sept.9th 1914, and with the exception of the first 5 months, the whole of this period has been spent on foreign Service, omitting ordinary leaves to England.

I should deem it a favour if you would forward this application thro' the ordinary channels as early as possible.

(Signed) Nigel Boulton.
