1. APPEAL BY THE PRIME MINISTER TO THE DEPT OF THE ARMY IN REGARD TO THE £100,000,000 LOAN - S.R.O. 361/42.

1. Subjoined is a copy of a recent letter addressed by the Prime Minister of Australia to the Minister for the Army.

2. Suggestions regarding the best practicable means of implementing the Prime Minister's wishes as contained in paras. 5, 6, 7 and 8 of his letter are invited from all personnel.

"My dear Minister,

In view of the heavy requirements of the Treasury in relation to Loan money for the current financial year, I have approved of an intensive three months campaign for the purposes of restricting public spending to the minimum, of diverting all available money into bonds and war savings certificates, and of stimulating production and creating a more realistic war consciousness among the public.

It is desired to raise by public subscription £100,000,000 before Christmas. A Loan for this amount will be issued on September 3, but the intensive publicity drive will aim even to exceed this amount if possible.

The basis of the appeal will be the need for a much more austere method of living by the public generally, and the publicity will be directed towards securing the co-operation of the public in eliminating many of the avenues of surplus spending that today are resulting in a wastage of manpower, raw material, and time and effort that could be directed to war purposes.

The campaign will be conducted by the Dept of Information and the general organisation of the campaign has been placed in the hands of the Controller of Government Advertising (Mr. Hutcheson).

During the period of this special appeal I would appreciate the complete co-operation of yourself and your department in facilitating access to all facts and material necessary for the requisite propaganda and in giving active assistance that will be sought in different aspects of the campaign. In this connection I specially desire that Publicity officers of all departments should give to the Dept of Information and the Campaign Organiser (Mr. Hutcheson) their complete co-operation.

Simultaneously it is desired that all departmental publicity during the period in question should be stepped in with the general line of campaign propaganda, and directed towards securing a greater public appreciation of the need for the restriction of all forms of unnecessary spending. To ensure a uniform approach to the public it is necessary that all such departmental publicity should be prepared in consultation with the Committee controlling the campaign.

To emphasise to the public the need for austerity standards, I desire all action taken immediately in departments not only to eliminate waste, but to eliminate all activities that are not essential to the conduct of the war.

It is necessary that service personnel should set an example in spartan living, and that all privileges that involve unnecessary use of facilities and commodities of which the public is being deprived should be strictly reviewed. I desire not only the issue of instructions to this effect, but also that, from time to time, the Service personnel should be addressed upon their responsibility to the civilian community in relation to waste of material and efforts.

AUSTRALIAN WAR MEMORIAL AWM2019.366.1321

ROUTINE ORDERS, PART 1, No. 2/42, Continued.

It is not desired that any publicity be given to this campaign until an official announcement is made towards the end of August.

Yours sincerely,

JOHN CURTIN

PRIME MINISTER. "

2. CANTEEN GOODS - PURCHASE OF CIGARETTES AND TOBACCO - G.R.O. 335/42.

Attention is directed to the necessity for conserving stocks of tobacco and cigarettes in Canteens.

Difficulty is being experienced in obtaining sufficient quantities of various lines to meet the requirements of the Services.

To prevent depletion of much needed stocks, troops are to confine their purchases to their immediate individual requirements.

3. AMENITIES - G.R.O. 336/42.

1. Individual members of the forces are forbidden to ask philanthropic bodies (such as the Australian Comforts Fund or the Red Cross) or the Press, to supply comforts and amenities to units.

2. Applications for comforts and amenities will be made only through commanding officers, amenities officers, or representatives of philanthropic bodies attached to formations.

4.. DRESS

It is essential that every man in this unit is correctly and smartly dressed at all times.

Men will be dressed according to regulations. Fads, such as crumpling of hats, will not be allowed.

by
MAJOR F.R. TAIT, R.A.A.
COMMANDING 4TH AUSTRALIAN SURVEY BATTERY R.A.A.

1. CRASHED OR CAPTURED ENEMY AIRCRAFT - 4 AUST DIV R.O. 302/42.

All crashed or captured enemy aircraft, or Air Force material or equipment, will be promptly notified by units to formation HQ, and arrangements will be made by that formation to contact the nearest local Air Force HQ so that A/C or material can be examined, and if thought necessary, despatched to Material Section HQ Allied Air Forces.

On no account will any parts be removed, souvenired, or tampered with in any way. Even if the A/C is obviously unserviceable, all parts, cracks and markings must be left intact until inspected by a representative from HQ, RAAF, or other Allied Air Force HQ.

It will be the responsibility of the unit in whose area such A/C is discovered, to take all reasonable precaution for its protection by the posting of guards or such other measures as the circumstances may warrant.

2. DISCIPLINE - SALUTING - G.R.O. 100/42.

Attention is directed to GRO 100.
1. Action is being taken to amend AMFO 1165 by omitting sub-regulation (1) and inserting in its stead the following sub-regulation:-
"(1) W.Os., N.C.Os. and private soldiers in uniform shall salute an officer at all times except when passing or being passed by him -
(i) in a crowded thoroughfare or assembly; or
(ii) during an exercise in the field; or
(iii) when on parade under the immediate control of a superior; or
(iv) when precluded by the nature of their duties from so doing."

This amendment will be anticipated and effect given thereto forthwith. All ranks will be instructed accordingly.

2. In view of the number of officers who have been recently commissions care is to be taken to ensure that they fully understand the implication of the provisions concerning saluting.
All officers are to salute their seniors before addressing them on duty or on parade. When not on duty or parade officers under field rank are to salute all officers of field rank and upwards. General officers and field officers are to salute their superiors in rank.

3. Officers are to salute officers in any of His Majesty's Naval or Air Forces and of the Allied Naval, Military or Air Forces, in accordance with para. 2. (300/701/2).

A definite slackness in the observance of the provisions of the order has been observed and in view of the important fundamental part played by saluting in the establishment and maintenance of good discipline, formation and unit Cmds will ensure that suitable disciplinary action is taken in all future cases of breach of the order.

1. UNAUTHORISED REMOVAL OF RAILWAY PROPERTY - ORO 410/42.

1. Attention is directed to the prevalence of theft by members of equipment from Railway refreshment rooms.

2. Any member found to be improperly in possession of any article of equipment belonging to a Railway refreshment room will be charged with an offence.

2. INSTRUCTIONS TO DRIVERS

Owing to the prevalence of snakes, all drivers will ensure that each vehicle is equipped with a length of wire.

3. PRECAUTIONS AGAINST KANGAROO TICKS

Personnel are warned against the incidence of the kangaroo tick. All ranks are particularly warned against sitting on the ground under shady trees, as it is in these localities that the ticks are prevalent.

4. LEAVE PASSES

Personnel are warned that it is an offence to leave the camp area, except to visit the canteen, without a leave pass. Before proceeding on leave, all personnel will report to the DQMS to collect leave passes, and for inspection.

5. MAINTENANCE AND AUDIT OF EQUIPMENT

Party leaders are again instructed that stores on charge to parties will be checked over physically with the DQMS each Sunday morning. Equipment will also be checked over for adjustment on Sunday mornings, and reports concerning efficiency handed in to DHQ prior to 1600 hours each Sunday afternoon. Action will be taken against party leaders disregarding this order.

6. BATHING PARADE

A compulsory bathing parade will be held each Sunday at 1400 hours. Any applications for absence from this parade will be in writing and will set out the reason for the proposed non-attendance. This instruction applies to ALL personnel.

1. SECURITY OF INFORMATION- PURCHASE OF LOTTERY TICKETS - DIV.RO 427

All ranks are instructed that Number, Rank and Name are the only particulars which will be given in applying for State Lottery Tickets. A check carried out recently at the State Lottery Office disclosed many breaches of security in that Unit names and locations have been freely given in ticket butts which are accessible to any civilian. "Australia" is a sufficient address and unit names and locations will NOT be given.

2. DRESS- SUMMER DRESS - DIV.RO 334

(a) Summer dress is authorised to be worn by tps under cmd 3 Aust Corps (final WA L of C Area) [illegible] from 1 OCT 42:-

(b) Until otherwise directed, winter dress as at present authorised may be worn after this date as an alternative, but strict conformity is required to detailed directions as to each class of dress, and combinations of types of dress are prohibited.

(c) Summer dress is defined as follows:-

(i) OTHER RANKS.

For day wear, i.e., up to 2000 hours:

Hat- slouch down, chin strap to be worn, colour patch on band or puggaree on right side of hat (other headwear only when specially authorised).
Shirt- collar button only undone, sleeves folded back to immediately above elbows.
Belt- web, or, if not available, leather.
Shorts- KD.
Boots- puttees, short (or gaiters if puttees not available), stockings, or hosetops.

For night wear, i.e., after 2000 hours:

Hat- turned up.
Shirt- sleeves rolled down and buttoned, collar button undone.
Belt- as above.
Trousers- KD
Boots- as above.

Night wear may be worn during the day, but NOT day wear at night. When pers proceed on leave extending into night, during the day they must either wear night wear or arrangements be made for change as above.

Jerseys pullover, khaki, may be worn over shirt, but Jerseys pullover, navy, if worn, will be under shirt.

Belt always outside.

(ii) OFFICERS.

(a) Normal drill uniform; or
(b) As for other ranks; or
(c) as in (b) but with cap officers and shoes in lieu of boots and puttees. With this dress the tie khaki is optional.

(iii) GENERAL.

The alternatives indicated above necessitate increased vigilance on the part of Cmds to ensure close compliance with these instructions, particularly as the possibilities of slovenly and untidy dress are increased. Unit QMs will take particular care as to fit etc. of shirts and shorts issued.

AUSTRALIAN WAR MEMORIAL AWM2019.366.1321

3. TROOPS MARCHING AT NIGHT - DIV.NO 455

When tps are marching along rds at night, there is considerable danger from collision by overtaking motor vehs - especially in localities under "black out" conditions.

With a view to minimising this danger, the right-hand man of the rear rank of any column marching at night will wear a white cloth of reasonable size on the back and will carry a lighted hurricane lamp, with, if possible, a red glass, as a warning to overtaking vehs.

4. CLOTHING RATION BOOKS - DIV.NO 460

Army clothing ration books are NOT transferable. Disciplinary action will be taken against any persons who transfer or receive by transfer clothing ration books.

5. ROUTINE INSPECTION OF M.T.

Each Monday, the Orderly Officer for the day will inspect all M.T. on charge to this unit. This inspection will be a detailed check on the driver's routine maintenance and will include a check of the V.O.L.

A record of inspections will be shown in red on AAF.85.

ROUTINE ORDERS, PART 1, No. 9/42
by
MAJOR P.H. BAIN, R.A.A.
COMMANDING 4TH AUSTRALIAN SURVEY BATTERY R.A.A.

---

1. STANDING ORDERS FOR DRIVERS OF MECHANICAL VEHICLES 1940.

The above mentioned publication is amended as follows (vide General Orders dated 30 Sep 42). All personnel having this publication on issue will cause the amendment to be inserted.

Page 8. Para 7 is amended by deleting in line 3 the words from "unless" to end of paragraph and inserting-

"only one person and the driver will occupy the front seat of any Australian military vehicle, except that in the case of cars and light vans, in which the gear changing lever is fitted to the steering column, two passengers, in addition to the driver, may be carried."

2. SECURITY OF INFORMATION

1. There is an increasing tendency for civilians to interrogate members of the Allied armed forces when the latter are on leave, travelling on duty, etc.

2. If not checked, this practice, although generally inspired by idle curiosity, may lead to the disclosure of such information of value to the enemy, and will facilitate the task of enemy spies.

3. All ranks will are instructed that, in addition to refusing to disclose information to civilians, they should endeavour to obtain the names and addresses of any questioners and report same to D.M.O.

4. Security Service have undertaken to investigate immediately the bona fides of any inquisitive civilians whose names and addresses are supplied.

3. PRIVATE COMMUNICATIONS CONCERNING CASUALTIES

1. Private cables and telegrams reporting battle or other casualties are prohibited. In letters, no reference is to be made to any such casualty until after a period of one month from the date of its occurrence.

2. The prohibition and restriction imposed by para. 1 hereof are not applicable to communications sent by a member relative of a casualty sustained by himself.

3. This order has been dictated by motives of consideration for the feelings of the relatives of members of the Forces who in many instances have been caused unnecessary suffering and suspense through information contained in private correspondence from operational areas and which, in some cases, has proved to be inaccurate.

1. M.T. DRIVING (DIV HQ. 545/42)

In order that wear of engines, transmission, brakes and tyres may be reduced to a minimum, and economy in petrol effected, the following instructions are promulgated, and any breach will be made the subject of disciplinary action.

(a) Rapid deceleration by changing into a lower gear when slowing down at corners or crossings will cease. This form of driving places an undue strain on engine and transmission and causes excess wear on tyres.

(b) Excessive use of brakes during normal driving is mainly due to bad driving and lack of anticipation. Constant and heavy wear is thereby imposed on both tyres and brakes, and this practice will cease.

2. CONSUMPTION OF SCHOOL DRINKING WATER (DIV HQ. 546/42)

(a) A complaint has been received about the excessive consumption of drinking water from a school in the dry area during the present Corps exercise.

(b) With the approach of warmer weather the drinking water position in country districts will become extremely acute, and as the resources available for children at schools in the dry areas are already restricted, under NO circumstances will army pure draw water from school tanks.

3. TOBACCO AND CIGARETTES (DIV HQ. 543/42)

The allocation of tobacco and cigarettes for the month of NOV from Canteens is on the following basis:-

3-oz of tobacco per man per week:
or
100 cigarettes per man per week.

4. SICKNESS OR INJURY TO MEMBERS OF THE AIF ON LEAVE (DHQ.550)

1. It is to be impressed on all members of the AIF that it is necessary to inform the military authorities at once should they become sick or sustain injury while on leave. This responsibility rests with the individual in order to avoid the risk of being regarded as "absent without leave" in the event of such sickness or injury preventing his return to his unit by the due date.

2. Any member who becomes sick or sustains injury while on leave will:

(a) Report at once to the nearest military hospital or, where this is impracticable, to the nearest area medical officer; or

(b) Report at once to the nearest public hospital, if a military hospital or area medical officer is not available; or

(c) If unable to attend or be taken to a military hospital (or public hospital where a military hospital is not available), then obtain private medical attention and immediately forward a certificate by the medical attendant to the nearest headquarters of a L. of C Area, which will take action to notify the unit and the D.D.M.S.

3. When the state of health of members who are injured or become sick while on leave permits, they will at once communicate with their unit advising the nature of injury or sickness, location while sick, and the probable duration of treatment.

4. Members who become sick or sustain injury while on leave without pay, granted for the purpose of engaging in seasonal or industrial activities in a civil capacity, are not entitled to treatment in military hospitals or at government expense. However, in order to maintain records, it is necessary that such members should report particulars of any sickness or injury, and of the progress of their treatment, to the nearest Area HQ or Adm Bn, who will advise the unit.

AUSTRALIAN WAR MEMORIAL AWM2019.366.1321

5. LOSS AND DAMAGE TO STORES AND EQUIPMENT

The incidence of loss of and damage to stores clearly shows little or no care is being exercised by (a) pers to whom the stores have been issued, and (b) pers using the stores.

In every instance the stores and equipment are in short supply, and more care MUST be exercised.

6. BATTERY OFFICE

The Battery office will not be open for postal or canteen business except after 2700 hours daily. Before 2700 hours, the office is out of bounds to all but office pers.

7. COMPLAINTS

2. CHRISTMAS TELEGRAPH ARRANGEMENTS

With the expected heavy lodgment of Greeting Telegrams over the Christmas period it is essential that such messages reach Field Post Offices before 10 DEC, otherwise delivery before Christmas cannot be guaranteed.

Pers will lodge their greeting messages in sufficient time to allow of their receipt at GPO PERTH before 10 Dec. This will ensure delivery before Christmas and avoid disappointment.

It must be borne in mind that the present plant and pers of the Telegraph Service is NOT capable of handling a huge last-minute rush of traffic.

The kitchen is out of bounds to all personnel except cooks, kitchen fatigues and batmen. Under no circumstances will ANY meals be consumed in the kitchen. Severe action will be taken against offenders.

2. SECURITY OF INFORMATION (SEC.SGT)

1. The attention of all ranks is directed to the fact that the communication to any person, otherwise than in the course of official duty, of any naval, military or air force information is an offence under the Defence Act punishable by fine or imprisonment, or both.
2. An infringement of Army Field Censorship Instructions is an act of disloyalty which may inadvertently harm the Allied cause. This fact is impressed upon all ranks. Rigorous steps will be taken to punish every detected offender, irrespective of rank.
3. An officer is responsible if a letter, after being framed by him, contains military information. By aiding and abetting the commission of an offence, the officer himself commits an offence and is liable to punishment accordingly. This will not, however, absolve the writer of the letter from responsibility for the breach.
4. Penalties imposed for breaches of security will be notified in formation etc. Part I Routine Orders and, where practicable, such notifications will be read out on parade to troops within the formation etc.
5. Contravention of this order if committed by an officer will be reported to HQ so that, if thought necessary, the individual concerned may be called upon to show cause why his commission should not be cancelled.

1. RESPIRATORS ANTI-GAS

Until further notice, respirators anti-gas will be carried from reveille to lights out each Tuesday.

2. IDENTITY DISCS (D.R.O. 590/42)

It has been brought to notice that identity discs are NOT being worn by all personnel, and when accidents occur, great inconvenience has been caused. Disciplinary action will be taken against all offenders.

3. RECREATIONAL LEAVE - INTERSTATE

NOTE: All units travelling interstate on leave may be permitted to wear KHAKI drill working dress OR shirts and shorts while actually travelling between LEO CLARKE PARK and their ultimate destination.

Should troops for any reason have occasion to leave the train and the precincts of any station en route, they will be dressed in accordance with R.O., Pt I, No. 6/42, para 2.

4. OFFENCES - NATIVES (D.R.O. 592/42)

Attention is directed to the Native Administration Act 1936-1936. Para 43 (1) states:-

"Any person (except a native)-
(a) who habitually lives with natives or with any native who is not his wife or her husband; or
(b) who cohabits with or has sexual intercourse with any native who is not his wife or her husband,
shall be guilty of an offence against this act and shall be liable to imprisonment for a period of not more than two years or to a penalty of not more than one hundred pounds."

Para 43 (1) states:-

"Any person who sells, supplies, or gives any fermented, spirituous, or other intoxicating liquor, in any quantity whatsoever, either alone or mixed with any other substance, or any opium, to any native shall be guilty of an offence and liable on summary conviction to a penalty not exceeding one hundred pounds or to any term of imprisonment not exceeding six months or to both."

5. CHRISTMAS MAIL ARRANGEMENTS (D.R.O. 600/42)

With Christmas close at hand the handling of mails to and from the troops by both the Army and Civil Postal Services will present a real problem. Handling can be facilitated if troops co-operate by:-
(a) Informing correspondents of their correct address.
(b) Posting their own Christmas packets and parcels early.
(c) Requesting their friends and relatives to post early.

Articles posted for delivery in Victoria and other Eastern States before Christmas should be posted by the first week in December; similarly articles from those States addressed to troops in 4 Aust Div area should be posted by 5 Dec to ensure delivery before Christmas

6. CONSERVATION OF RUBBER (Div No. 600/42)

(a) It is obvious that the seriousness of the rubber situation, more especially with regard to tyres, is not fully realised.

(b) Unless the question of saving tyre-wear is constantly studied, the situation that a large percentage of vehicles is grounded due to lack of tyres will arise.

(c) The most obvious means of implementing this saving are contained in DHQ O.200 and MT Ord/81 to which the attention of all ranks is directed. They are as follow:-

(i) Less use of vehicles
(ii) Strict observance of speed limits at all times
(iii) Constant attention to tyre pressure
(iv) Close study of tyres to reveal any undue wear caused by bad alignment or faulty brake adjustment
(v) Return of tyres for remoulding or recapping when in correct stage of wear
(vi) Unloading vehicles if they are to be left standing idle for a period, unless provision is made to "jack up" and remove weight from wheels.

(d) A conference of officers and NCO personnel to discuss means of conserving tyres will be held on Wednesday 16 Dec 42 at 1000 hours.

(e) The strictest disciplinary action will be taken against personnel involved in the abuse or neglect of tyre preservation and maintenance.

2. POWERS OF SENTRIES AND GUARDS (ORO.682)

1. Regulation 64 of the National Security (General) Regulations (Statutory Rules 1942, No. 374) provides that, without derogating from or restricting the existing powers or rights of sentries and guards, a military sentry or guard stationed or posted at, on, in, or in the neighbourhood or vicinity of, any prohibited place, protected area, controlled area, or any premises used by the Commonwealth, or used for defence purposes or for essential services, or any vehicle, vessel or aircraft used by the Commonwealth, or any enclosed wharf or picking-up place, or any merchant vessel lying in port, or any road, pathway or waterway, specified in an order by the Minister, which passes through or near a prohibited place or work of defence, may be armed, and may-

(i) use his weapons against, or otherwise attack, any person who, in disregard of a warning given by a sentry or guard, approaches, enters, leaves, or passes over or in the vicinity or neighbourhood of, or attempts to approach, enter leave or pass over or in the vicinity or neighbourhood of, that place, area, premises, vehicle, vessel, aircraft, wharf, picking-up place, road, pathway, or waterway, or who, after being arrested for so doing, escapes; and

(ii) use his weapons against, or otherwise attack, any person attacking him or who is reasonably suspected of being about to attack him.

2. There are, however, certain principles which must guide all sentries and guards in the execution of their duty as such, and in the exercise of the right to resort to arms.

3. These principles are:-

(a) Sentries and guards will be ordered to take any action required to ensure the safety of their posts or to defeat the activities of enemy, or suspected enemy, agents.

(b) If necessary, they will fire upon or otherwise attack any persons threatening the safety of their posts or engaging in hostile actions.

(c) Before firing upon any person, the sentry or guard will, except in an urgent case of self-defence, challenge that person to "Halt." If that person does not halt, the sentry should challenge him again with "Halt or I fire." If he does not halt, and no other means are available for a stopping him- as for example, by calling on the rest of the guard- it is the duty of the sentry to shoot.

(d) The sentry will use his intelligence and sense of res-

AUSTRALIAN WAR MEMORIAL AWM2019.366.1321

possibility in choosing whether he will shoot or not, and he must be careful not to allow any suspected person to approach so close that he can be rushed and overpowered.

(c) Escape of enemy prisoners of war. An enemy prisoner of war attempting to escape may be fired upon, but a previous summons to surrender will be given if possible.

(d) Escape of members of the forces in custody. The use of weapons to prevent the escape of a prisoner (other than an enemy and except as provided in para.1(1)) is unlawful unless-

(i) the prisoner has committed a felony and cannot otherwise be re-arrested; or

(ii) it is necessary for self-defence, and no more force is used than is reasonable in the circumstances.

The offences which constitute a felony are indicated on pages 146-151 of the MML (Australian edition).

(e) If a prisoner resorts to violence, force may be met by force to the extent reasonably necessary, and the escort may call for help from passers-by.
