PRIVATE TELEGRAMS

It is brought to the notice of all ranks that owing to the special conditions existing in the Northern Territory the speed of delivery of private telegrams cannot approach that obtained in areas where delivery is effected by PMG telegraph messengers.
All telegrams are received by Army Sigs and are then passed over to the nearest APO for collection by addressee's unit. Whilst Army Sigs endeavour to advise an addressee of the contents of an obviously urgent telegram, this is not possible in many cases, due to official requirements, and consequently delivery procedure must be followed.

237. INCOME TAX - ADDITIONAL REBATES TO TAXPAYERS.
(GHQ F458/44)

General :-

(b) is receiving full time education at a school (including a Technical School) or a University (incl a University College); and
(c) is wholly maintained by the taxpayer.

From the amount of rebate will be deducted the value of any assistance (consisting of money, accomodation or sustenance) provided by the Commonwealth or a State in connection with the education of the child but the receipt of any such assistance or of a Bursary or a Scholarship will not by virtue of sub-para (c) above disqualify the child as a child wholly maintained by the taxpayer. Such child will as from the 1st July 1944 be regarded as a dependant for the purpose of calculating tax deductions.

3. Where the child reaches the age of 16 yrs or 18 yrs during the taxation year, proportionate rebate to be determined by the Commissioner of Taxes may be allowed.
