LOCATION FIRE ORDERS.

Attention of all ranks is drawn to risk of fires in Tents and Grass. Effective measures will be taken immediately by Det. Commanders to safeguard against loss of Stores and Equipment. These orders will be posted on Detachment notice boards at all times, and it is the duty of every man to see that he is familiar with them.

1. Fire breaks will be cleared around tents for a distance of 20 yds on all sides.

2. All stores of petrol, oil and other inflamable stores, will be kept at least 50 yds from any tent, building or equipment. Grass will be cleared around all such stores for at least 20 yds on all sides.

3. A one quart Simplex Fire Extinguisher will be provided at each Generating Set. Detachment Commanders will ensure that they are in good condition at all times and refilled immediately after use.

4. Fire Buckets and Fire Beaters will be placed in suitable positions around the Camp Area. These positions will be determined by Troop Commanders.

5. The alarm will be given by the person first discovering the fire, by calling "Fire" and ringing the station Fire Gong.

6. The Fire Gong will be hung in a central position in the camp, and each man will familiarise himself with its position and operation.

7. Immediately on the outbreak of Fire Troop H.Q. will be notified by telephone.

8. All Personnel will assist in the quelling of the outbreak, under the control of the Detachment Commander or Senior man present.

9. Ignorance of these orders will not be accepted as an excuse for their non compliance.
