81. REGULATION 31A OF THE NATIONAL SECURITY (GENERAL) REGULATIONS
(SA L of C AREA ROUTINE ORDER 299/45)

It has been brought under notice that military personnel have attempted to purchase items of military uniform, badges of emblems from civilian manufacturers and stores without producing National Security Orders.

It is pointed out that the supply of such items by civilian manufacturers or stores without the production of a National Security Order is in direct contravention to Regulation 31A of the National Security (General) Regulations and in all cases appropriate Order signed by the Camp Commandant, HQ SA L of C Area, or the Commanding Officer, Staff Captain, Adjutant or Quartermaster of the Unit to which the member belongs or is attached, must be produced.

ROUTINE ORDERS PART 1.

by

LIEUT. C. W. BAILEY, COMMANDER FIXED DEFENCES. S.A.

85. APPOINTMENT, PROMOTION, REVERSION AND REDUCTION OF WOs AND NCOs

(EXTRACT G R O 87/45)

Whenever a member is appointed to acting warrant or non-commissioned rank, then, unless para 6 of this order applies, such acting rank will be either confirmed as substantive rank or be terminated not later than three months from the date of appointment.

RETENTION OF ACTING WARRANT OR NON-COMMISSIONED RANK.

- (a) Unless reverted as punishment for an offence, a member holding acting warrant or non-commissioned rank will retain that rank whilst he is -
- (i) posted as missing.
 - (ii) a prisoner of war or, if a protected person, in enemy custody;
 - (iii) under treatment for sickness, wounds or injuries not involving his posting to the X list (special provisions relating to those wounded in action against the enemy are contained in the provisions to para 11 (a) (iii) of this order.);
 - (iv) attending a school or course of instruction as a student;
 - (v) on leave which does not involve posting to the X list.
- (b) A member holding acting warrant or non-commissioned rank may be permitted to retain that rank when -
- (i) marched out of his unit on temporary detachment; or
 - (ii) transferred in his acting rank to another unit in the WE of which a vacancy exists for that rank.
- (c) Except as provided in sub-para (a) and (b) of this paragraph a member who is holding acting warrant or non-commissioned rank will be reverted to his substantive rank on being marched out of his unit.
- (d) His C O will be responsible for notifying the member and ensuring that the necessary casualty return is submitted and the necessary entry is made in the member's pay book before he is marched out.

AUTOMATIC REVERSION FROM ACTING WARRANT OR NON-COMMISSIONED RANK-

- (a) The grant of acting warrant or non-commissioned rank or of a lance appointment is subject in all cases to the condition that the holder will be automatically reverted to his substantive rank on the happening of any one of the following events.
- (i) if he is declared an illegal absentee by a court of inquiry held under AMR & C 445 or by an investigating officer appointed under AMR & C 446A - as from date of the declaration;
 - (ii) if he is sentenced to penal servitude, imprisonment, detention or field punishment by a civil court or court martial - as from the date of the sentence;
 - (iii) if he is evacuated on medical grounds beyond field ambulance or camp hospital or retained in a field ambulance or camp hospital for longer than 7 days - as from the date of evacuation beyond the field ambulance or camp hospital or as from the eight day in the field ambulance or camp hospital;

85 Continued.

provided that a member who is holding acting warrant or non-commissioned rank on the date on which he becomes a battle casualty (i.e. is wounded or injured in consequence of action by or against the enemy) shall retain such acting rank until returned to his former unit or posted to a new unit and

provided further that, when the member is returned to his former unit or posted to a new unit, he will continue to hold his acting rank if an appropriate vacancy exists within unit WE. In such cases his acting rank will be confirmed as a substantive rank, or terminated in accordance with para 9 of this order, not later than three months from the date of his return or posting.

86. SALUTING. (SA L of C Area 635/43)

Increasing slackness in saluting by all ranks is becoming more and more noticeable. This is possibly due in no small measure to a misunderstanding of the meaning of G R O 198/42.

The following instructions are issued in clarification of GRO 198/42

- (a) It has been frequently noticed that only the senior of a group of soldiers salutes an officer or group of officers. This is incorrect every one of a group of soldiers must salute, the only exception to this rule is when the group is on parade under the immediate control of a superior. This is usually applicable when a group of officers meets a senior officer.
- (b) The exception provided in GRO 198/42 para 1 (i) is often interpreted as being any thoroughfare or assembly. A thoroughfare or assembly will be considered crowded only when the crowd makes the salute difficult to carry out, or when doing so would cause inconvenience to other persons near the soldier.

87. LEAVE PASSES AND PAYBOOKS, INSPECTION BY MEMBERS OF PROVOST CORPS.

(SA L of C Area Routine Order 68/44)

Personnel on leave, when requested by members of the provost corps, must hand over their passes for inspection. After inspection and notation the pass will be returned to the holder. Similarly paybooks will be produced and handed to the Provost for inspection when required.

88. DUTIES.

Sgt. J. W. Single, Orderly Sgt. for week ended 24 June 45.
