Place	Date	Hour	Summary of Events and Information	Remarks and references to Appendices, Diaries, &c.
Ft.Lytton Brisbane.	1.8.43 11.8.43		Unit remained in area and carried out preparations for movement.	
Do.	12.8.43		Orders were received to transport Bty. stores and equipment to Mercantile Wharf, Brisbane. Personnel were transferred to 17 Aust Personnel Staging Camp, Kalinga, Brisbane.	
Kalinga.	12.8.43 18.8.43		Bty. personnel remained in Staging camp awaiting movement orders.	
Do	18.8.43	13.30	Personnel after being medically examined and found to be D.P.1 were transported to U.S.Army Transport "Junipero Serra". Embarkation took place at approximately 1630 hours. The men were accommodatedin No.1 hold and the officers had temporary quarters ~~on boat deck. A rear party of a serjeant and one man was left~~ behind to bring two C.A. searchlights together with **their respective mobile generators. There also remained to be forwarded a 15cwt 4x4 vehicle and a water trailer. When loading was completed the ship left cold Storage Wharf, Pinkemba, and** proceeded to an anchorage in Moreton Bay. The O.C. of the ship was Major C.Dunlop, 165 M.T.Coy.	
Moreton Bay.	19.8.43	0200	The "Junipero Serra" weighed anchor, took up her position in convoy, and proceeded to sea. The troops soon settled down to shipboard routine, and rifle inspections, physical training, and lectures constituted the daily routine. Messing was efficiently ~~carried out with the assistance of two Wiles cookers placed amidships.~~	
At Sea	21.8.43		The ship entered the channel sheltered by Great Barrier Reef and everybody was surprised by the delightful scenery. At 1330hrs the American Naval personnel attached to the vessel conducted a practice shoot. The target was a small cone-shaped island at a range of 6000 yds, and the results were excellent. St 7455

Unit "M" AUST.HY.BTY.(COAST)RAA *Date and Time.—From* 1 Sept.1943 *To* 30 Sept.1943

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
BUNA. N.G.	1.9.43		Orders received from 11 Aust Div. to occupy Bty. position at CAPE ENDAIADRE, three miles south of BUNA. The movement from Buna Staging area was commenced at 1715 hours and proceeded throughout the night.	
	2.9.43 to 4.9.43		The position was in a filthy condition due to the ravages of war and required much clearing to put it in a hygienic condition. It was reported that scrub typhus had been prevalent. Three days were spent at this work and erecting tents, etc. The unloading of stores from the transport JUNIPERO SERRA was being carried out in a desultory manner due to lack of suitable docking facilities. It was carried out night and day, the method being being to lighter ship in the harbour by loading into landing craft. The beach front was a hive of activity and spare troops from various units were utilised to carry stores from landing craft to motor transport. Two officers from this unit and a squad of men were continuously searching for stores and unit equipment as it was dumped on the beach front. Although this duty was carried out diligently it was found that many articles were missing. Some were found after being wrongfully delivered to other units, but others were never recovered. Included were parts of the portable mounting for the guns.	
	5.9.43		As soon as possible the position was made ready and guns mounted to cover channel entrance to BUNA. Communications were established with the Naval Officer in Charge and arrangements concluded for the Bty to be an examination one.	
	6.9.43		The delivery of further stores permitted the camp to be made comparatively comfortable. Sea bathing was permitted, wells were sunk, and a system of showers erected. A mobile talkie unit operated one night each week and was much appreciated.

Unit "M" AUST.HY.BTY.(COAST)RAA *Date and Time.—From* 1 Sept. 1943 *To* 30 Sept.1943 Continued.

St 7455

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
	7.9.43		During a picture screening on this date the Bty. experienced ~~its first air raid. Bombs fell approximately one mile away,~~ but no damage eventuated.	
	8.9.43		Routine Bty. and camp maintenance.	
	9.9.43		On the transport which carried this unit were 1941 model 155 mm. guns consigned to 2/6 Fd. Regt. to be used for assaulting ~~enemy positions further north. Further guns were needed by~~ that Regt. to carry out a field role but were delayed in ~~arriving. Consequently Corps Artillery ordered through 11 Div~~ that this unit hand over its guns and associated stores to be used for field work. Bty personnel viewed this order with very mixed views, but orders had to be obeyed. Corps Artillery was later asked if this unit could be used in a field role.	
	10.9.43 to 22.9.43		During this period personnel were called upon by 11 Aust.Div. to carry out many duties such as unloading stores at waterfront, carrying ammunition, clearing the debris at BUNA, assisting Salvage to erect suitable buildings etc.	
	23.9.43		Early in the morning the enemy again raided the area. This time there was damage and casualties. Bty was called upon to rebuild portions of Field Post Office buildings. The rear party which had remained in Brisbane arrived on the transport ROBERT STUART. bringing searchlights, generating sets, water trailer, and 15 cwt vehicle.	
	24.9.43	0030	Telephone orders were received to prepare for movement by 0900 hrs. to a forward area. Work was carried out during the remainder of the night and we were ready to move by stipulated hour. Throughout day the transferring of stores ~~were embarked~~ to LST 204 was carried out and troops were embarked at 1700 hours.

Unit "M" AUST. HY. BTY. (COAST) RAA *Date and Time.—From* 1 Sep. 1943 *To* 30 Sep. 1943 Continued.

St 7455

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
			Owing to the time of loading being restricted at the place of disembarking ONLY A LIMITED TONNAGE was permitted to be loaded. This resulted in five truck loads of stores and equipment having to be left behind. Lieut Page and a small party remained to safeguard goods and followed main body arriving 24 hours after it.	
	25.9.43		After loading the previous evening L.S.T. 204 anchored off BUNA for 36 hours before proceeding northwards in convoy. Eighteen and half hours after sailing the ships reached their destination - LAE.	
LAE N.G.	27.9.43	0030	LAE had been reached at 0030 hours and as the time of unloading was strictly limited there was a frenzied rush to do this in the allotted time. This was accomplished even though conditions were not favourable in the rain and darkness.	
		0600	O.C. reported arrival at H.Q. 5 Aust.Div. and received orders to stage at a position about 1½ miles inland. This was carried out.	
	28.9.43	0900	Together with O.C. "N" Hy.Bty., O.C. carried out a recconnaisance of area to secure Bty sites.	
	29.9.43		Bty. informed that it would only stage at LAE until ordered to again move forward. Guns were to be picked up at "GREEN" BEACH from 2/6 Fd. Regt. when transport was available.	
	30.9.43		Troops given an exercise to get acquainted with jungle conditions and to practice rifle shooting.

WAR DIARY or ~~INTELLIGENCE SUMMARY~~.

(Erase heading not required).

Unit "M" AUST. HY. BY. (COAST) RAA *Date and Time.—From* 1 October 43 *To* 31 October 1943

St 7455

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
LAE N.G.	1943 Oct. 1.		Unit informed verbally by C.R.A. 5 AUST.DIV. that it would be attached to 9 AUST.DIV. when water transport was available.	
	Oct. 4.		B.M.R.A. visited Bty. stating that it would proceed to a position of staging on the BUREP RIVER three and half miles inland from GREEN BEACH.	
	Oct. 7.		O.C. Bty. visited REAR 9 AUST DIV.H.Q. and thence proceeded to projected position of staging, returning same day to LAE.	
	Oct. 9.		Commencement made with movement to BUREP RIVER. During the stay in LAE personnel had been employed as loading parties, guards, clearing damage, collecting and taking to a central position captured enemy artillery equipment, dumping Japanese ammunition into the sea, and assisting "N" Hy.Bty. to organise its action position. Sjt Kennedy a gun No 1 had portion of a finger amputated whilst dismantling the breech block of a heavy enemy gun.	
	Oct. 9.		By 22.30 hrs. the Unit had been moved to GREEN BEACH by water transport and bivouacked for the night on the foreshore.	
	Oct.10.		Bty stores and ammunition were made into dumps handy for future loading. A guard of an N.C.O. and eight men remained of the main body. Moved with camp stores to the upstream position and made itself as comfortable as the situation permitted.	
	Oct.11.		The guns which had fired some 126 rounds with some success during the fighting for LAE were now back with the Bty. From this date until the end of the month intensive training was carried out. This consisted of gun drill, Bty staff work fire control, lectures, quizes, physical culture, knotting and lashing. Personnel were also called upon on a few occasions to perform loading duties. During the month there had been several air raids in the area.

BUREP RIVER, LAE.	1943 Nov. 1.		The Bty.remained at the BUREP RIVER staging position awaiting order from 9 AUST. DIV. to move to the forward area at FINSCHHAFEN, where the Japanese were offering stiff resistance from a position on SATELBURG HEIGHTS. The delay was due to a scarcity of water craft and the unit priority was low down on the Divisional movement roster.	
	Nov. 2 To Nov. 8.		This peroid was devoted to training,physical improvement of troops, and camp routine. Due to REAR 9 AUST. DIV. moving forward the Bty.was ordered to take charge of the area and be responsible for arranging the transport of the remaining units. Lt.Page and Lt.Lyon were appointed Beach Control Officers and supervised water craft loading operations.	
	Nov. 9.		Owing to the Bty.being to far away from the beachhead,it was decided to move to a new position close to the waterfront. This was carried out.	
	Nov.10.		Visit by S.I.O.C.,New Guinea Force(Major Sisson),who inspected the ammunition held. Suggestions were made for better storage facilities. It was pointed out that the ammunition had been handled very frequently and in extreme climatic conditions,and therefore much maintenance and care was required.	
	Nov.13.		Visit from U.S. Major in charge of water transport who explained various difficulties in securing sufficient craft for troops and supplies.	
	Nov.16.		Orders received for C.O. to proceed to FINSCHHAFEN to prepare for reception of Bty.	
FINSCHHAFEN.	Nov.17.		Recce made with I.O., R.A.A., 9 AUST. DIV., to select suitable Bty.site. A recommendation was made to C.R.A. that a position on the high ground behind Lutheran Mission Manager's residence be occupied. This was acceded to provided that tasks against landward positions of Japanese could be engaged according to orders issued by C.O.O. 9 AUST. DIV. Also on this date Bty. Dept. received movement order to transfer Unit from BUREP RIVER to the FINSCHHAFEN position.

Unit "M" AUST HY.BTY.(COAST)R.A.A. *Date and Time.—From* 1 November 1943 *To* 30 November 1943.

Place	Date	Hour	Summary of Events and Information	Remarks and references to Appendices, Diaries, &c.
FINSCHHAFEN.	Nov.18.		Bty. embarked with equipment and stores on L.C.T's 260 and 372 and proceeded northwards. During the journey the vessels sheltered for 10 hours in a handy lagoon.	
	Nov.19.		Craft arrived at KEDAM BEACH at 1630 hrs.and immediately disembarked. The usual difficulties of unloading in the dark were experienced. This was necessary owing to enemy air activity.	
	Nov.20.		Guns and stores moved from beach to position. All ranks enthusiastically worked to get guns into action in the quickest possible time.	
	Nov.21.		Reported to R.A.A. 9 AUST DIV. that Bty. was ready to engage landward targets.	
	Nov.22.		C.R.A. visited unit and expressed satisfaction with speed in which Bty. had got into action.	
	Nov.23.		Whilst awaiting firing instructions further work was performed on Bty. position and temporary camp site.	
	Nov.24.		C.O. Tank-attack Regiment called and explained disposition of his guns which had been allocated shore defence role. A C.A.S.L. Sec party of 1 Sjt. and 16 men transported No.2 searchlight by L.C.M. to GAIS BEACH and commenced to instal equipment.	
	Nov.25.		No.1 C.A.S.L. conveyed to northern headland of LANGEMAK BAY and a start made to provide a platform which it was intended should be 30 ft. above sea level. On this date S.L. personnel carried out excavation by demolition to enable greater range to be secured by the guns.	
	Nov.26.		R.A.A. instructed 2/6 Fd. Regt. to provide experienced officer to assist and check calculations for contemplated activities. DIV. SIGS. provided a No.11 W/T set for air co-operation shooting and also to be used in event of breakdown in communications.	
	Nov.27.		Telephone cable was run out to the C.A.S.L. positions through very difficult jungle country. A commencement was made to excavate for the construction of a permanent Bty. O.P. After many days labour this had to be abandoned owing to the American Area Commander not wishing to have such building adjacent to his H.Q.

FINSCHHAFEN.	Nov.28.		Orders were at last received to go into action and the following targets allotted and engaged:-	
			28 and 29 Nov. Hostile guns.	
			29 and 30 Nov. Ranging along enemy supply track from coast to suspected dump and bivouac area at WAREO.	
			~~30 Nov.~~ ~~A suspected enemy landing area at a lagoon north of native village of BONGA.~~	
	Nov.30.		Reports received of successfully neutralising areas in front of our infantry by accurate shooting. A patrol reported probable destruction of enemy gun. Targets were registered for future attention. The work of the Bty. had made history by reason of it being the only Unit of its kind yet to go into action since the commencement of the present hostilities. The morale of the men increased considerably and each felt that he had at last done something to help the war effort. Attached hereto is an interesting diary of a member of a Japanese Inf. Appendix to RAA 9 Aust Div
Intelligence Summary No 2.

EXTRACTS OF DIARY DATED 1 OCT to 16 NOV 43

Belonging to a member of ASA 2055 BUTAI (80 Inf Regt) 12 Coy.
Translated by ATIS Det - Capt PWA, Sgt R F, Sgt P K.

Captured SATELBERG AREA - 20 Nov 43

1 Oct

At SATELBERG "SA" height.

2 Oct

For the purpose to attack the American army. Left the mountain early in the morning. On the way joined the 9 Coy who are in the action.

3 Oct

Constructed a posn 300 metres from the enemy and spent night on alert.

4 Oct

Because of change in enemy situation we climbed the mountain again. The enemy is around this area and their shells are dropping around us.

5 Oct

Dug a light MG trench this morning.

6 Oct

Leaving the pl leader and few men, an offr patrol went to KUMAWA village. It was the first time enemy was sighted at 30/40 metres. The enemy were Americans wearing green clothing. Returned to TAI by detouring around "SA" height, in the afternoon. Guarded posns all night.

7 Oct

The HQ MAN and our No 3 Pl went to attack KUMAWA village. Pl leader and two men of our sec were wounded. Retreated at night.

8 Oct

Due to last night's rain became ill with fever.

9 Oct

The position in front of 3 Bn was captured. Our coy want to re-capture it but I could not go.

10 Oct

WO NAKAMURA was killed and sec leader was wounded.

12 Oct

Many casualties poured in from front line.

13 Oct

After departing from DAMAINE, had to sleep in the mountains and fields and our rations were just potatoes. There were bananas and pineapples etc, but I just got a taste of them as they were hard to get. In front of us there is just shelling and MG firing by enemy and bombing by the Americans. My one wish is to defeat the Americans and obtain their good food; however, with our casualties from enemy shells, how in the hell am I going to survive through this? Many men are falling along the wayside from malaria. The news which we heard in KOREA that we would be riding on automobiles and bicycles here was just a dream. With the bad roads and hills to encounter, what could be worse than this. Oh!we are in a sad plight. Even if I am killed my spirit will fight on against the Americans. There is going to be a general attack on 15 and 16. I certainly would like to be in on that.

14 Oct

Went out to the front line with OKA. It was certainly terrific and the enemy shells drop incessantly. The sight of seeing equipment, etc, during blown to bits is horrible.

AUSTRALIAN WAR MEMORIAL AWM2019.366.3220

15 Oct
The 79 Regt arrived and they brought rice to our 80 Regt. About ½ pt of rice was distributed to each man, and also one hand grenade. Was shelled by light light trench mortars.

16 Oct
Heard that No 6 Coy is penetrating an enemy position.

17 Oct
Potatoes are gone now and of course so has the rice. The battle result shows nothing spectacular accomplished.

18 Oct
What shall I eat to live? What has happened to the general attack is the question. Received orders to attack tomorrow morning.

19 Oct
Left posn at 0330. Waited for the left flank force to attack, however they were unsuccessful. Retreated to the original posn at 1100 hrs. Saw the horrible sight of our dead men in the trenches. "You bloody Yanks". I finally smoked the tobacco which was a gift from the Emperor.

20 Oct
Heard that a man from KUROZAKI TAI 11 Coy was killed by a shell on the way to the Mission. First upon awakening, one is greeted with shells and the pang of hunger. Gathered up some food remains and cooked potatoes with a candle for lunch. I wonder how our battle operations are going? With the enemy having occupied COCONUT HEIGHT we have to suffer the oppressions from the Americans. It is just the opposite situation from the China incident. It has been 2 years and 4 months since I left home.

21 Oct
Ate all the potatoes leaving none for noon. Heavy bombing at noon. Sgt HONDA of Labour TAI became the pl leader.

22 Oct
Eating potatoes and living in holes is the life of a ground rat.

23 Oct
The enemy situation against us is certainly uncomfortable. The enemy patrol is always wandering around day and night.

24 Oct
Talked with others about home.

25 Oct
The men who went to get potatoes got two cows instead and brought them back. Ate them with relish, but if we only had salt! SALT!

26 Oct
Received heavy shell fire. Today, just the grisly part of the cow remains and it was disagreeable to the mouth as well as to the stomach.

27 Oct
Because of the number of men going out to get potatoes, it bore a hardship on the guards. Today we cooked coconuts and grass.

28 Oct
Ate up the last remains of the cow. Obtained some bean past from the pl leader.

29 Oct
Now there are no more potatoes to be obtained from the place where we have been getting them. A month has passed since the Americans landed at CAPE ARNDT. Even though our force was small, there was a general attack on 15 Oct with just an insignificant result. We had many casualties. We have been facing the Americans for 20 days and although the they have not come to attack us directly, they have always shelled us and bombed us. We never left our holes except to get potatoes. In order to conceal our cooking smoke we had to cook potatoes in a ravine. Heard that a Bn of the 79 Regt was annihilated in the RAMU RIVER area and that the strength of the 80 Regt was less than one third.

AUSTRALIAN WAR MEMORIAL AWM2019.366.3220

29 Oct (cont)
Heard that 79 Regt had made a fierce attack on the 15th with fair results but casualties were heavy. Heard that the Arty BUTAI ran out of ammunition. Moreover, we had to battle with the men on hand without reinforcements. Heard that HQ decided on a general attack next month. Whether I actually fight or not, I will do my utmost.

30 Oct

Heard that the Div is going to make a big push on 3 Nov. Changed posns with No 11 Coy. Went to BASHO HEIGHTS.

31 Oct
Heard the following story from the coy comd:- the enemy to the north west are Australians who previously fought the Germans and Italians. The enemy strength in this area is 30,000. Our strength is just 10% of that of the enemy's. Even if we capture the DEAD TREE posn, I wonder what will happen then. The day of the general attack was postponed.

3 Nov
News or propaganda? Heard that the Cabinet changed and came under Mr MATSUOKA. Heard that new aircraft carrier(s) loaded with 1000 planes headed for X Islands in the SOLOMANS were all sunk. Heard that KYOTO Div is on its way to NEW GUINEA to reinforce.

4. Nov
The plan to attack the enemy in front was changed. Heard "R" HQ went to SA HEIGHTS and that the various TAI will withdraw and stand by.

7 Nov
Heard that 1st Lieut KUCHIBA, 12 Coy, was released from hospital.

8 Nov
BASHO HEIGHT was attacked. NAKATA Pl, 12 Coy, withdrew to OTA HEIGHT. Heard we must hold SA HEIGHTS for the balance of the year. Heard that 15 Div had landed and may replace 20 Div. This would take at least half a year.

9 Nov
Potatoes are scarce for seven miles radius, so we are forced to eat anything eatable.

11 Nov
Received order to reinforce OTA posns. At 0700 hrs No 1 and 2 Secs went to co-operate with NAKATA Pl. Received two thirds of a pint of rice per man per day, however I am a big eater and feel it is better to get lots of potatoes instead a meagre bit of rice.

12 Nov
We have enough rice and potatoes for one meal but we have to make it do for three meals. As a result we are always hungry and find it hard to get along.

14 Nov
The enemy shellfire drop around our posns which is like the booming of drums. Our planes, surprisingly enough, bombed the enemy posn, but in return for that we got a terrific shelling from them.

15 Nov
Received two thirds of a pint of rice per day and four packages of compressed food. This must last until 17.

16 Nov
Last night I ate up all my rations. Today I have nothing to eat. OTA HEIGHTS was attacked and we had to retreat. Pl leader was killed and several wounded or missing. Two men, one of whom was OKA, were to go on a raiding party, however, OKA was wounded by shrapnel and I took his place.

(Erase heading not required).

Unit "M" AUST HY. BTY.(COAST)RAA *Date and Time.—From* 1 December 1943 *To* 31 December 1943

St 7455

Place.	Date.	Hour.	Summary of Events and Information.	Remarks and references to Appendices, Diaries, &c.
FINSCHHAFEN	1943 Dec.1.		Bty. in action on target which had previously been registered.	
	Dec.2.		From Nov. 28 until this, the Bty. was in action answering calls for neutralising fire from the Infantry both day and night.	
	Dec.3.		Awaiting further fire orders but none came through. Visit by B.M. R.A.A. 9 AUST DIV. who inspected preparations for taking up coast defence role. He was requested to notify Bty. when its landward services would no longer be required. A promise to do so was received but never carried out. Before leaving it was inferred by the B.M. that although the enemy was retreating to extreme range there still might be targets to engage.	
	Dec.5.		First notification that the landward tasks of Bty. were finished was when C.R.A. telephoned expressing concern that the Bty. was not ready for a seaward role. An assurance was given that the work would be proceeded with as speedily as possible.	
	Dec.6.		No. 1 Gun moved to a position 300 yards distant and higher by 80ft. and set up on spades ready for seaward defence.	
	Dec.7.		On this date the first portable steel platform, weighing 7 tons was erected and No. 2 Gun placed in position on it.	
	Dec.8.		C.R.A. 9 AUST DIV paid the second of his two visits and inspected progress. He again urged that the work be pushed ahead as rapidly as possible. Before leaving he conveyed the compliments of the G.O.C. 9 AUST DIV on the performance of the Bty. in recent fighting. By dusk on this date the traversing channel had been placed in position and No. 2 Gun was ready for action with a 360° arc of fire.	
	Dec.9.		Commencement was made on excavating a pit for No. 1 Gun. The amount of clay to be picked out and shifted in this case was estimated to be 354 tons deadweight.	
	Dec.10.		Received a visit from Colonel Cullen, who controls area in which the Bty. is situated. He objected to the B.C.P. being erected in proximity to his H.Q. and requested the project be not proceeded with.

FINSCHHAFEN	Dec.10 (cont.)		This was very disappointing in view of the amount of time and labour which had been spent in preparation. Complying, however, to his wishes, the work was discontinued and an immediate commencement was made to erect a further B.C.P. on an alternate site.	
	Dec.11		Construction jobs proceeded with.	
	Dec.12		The men given first rest day since landing.	
	Dec.13		As the temporary camp site was of such a distance from new Bty. position as to impede work it was decided to shift to a more convientant area. This was carried out in a manner calculated not to interfere with construction under way.	
	Dec.14		Excavating, building, and camp-moving activities continued.	
	Dec.15		Major Jones, L.C. 9 AUST DIV visited Bty. and was informed of additional work that now had to be carried out owing to the request of the U.S. Base Cmdr.having to be acceded to. The L.C. asked if arrangements could be made to place Tank Attack Secs engaged on Coast defence in communication with "M" Bty, This was duly carried out.	
	Dec.16		~~Sections were also engaged in~~ C.C. Bty. who had been ill in camp for some days was evacuated to 2/3 C.C.S. and was found to be suffering from malaria.	
	Dec.17		Construction and Excavation work proceeded with.	
	Dec.18		To get a full observation of water area to be covered a great amount of timber had to felled and a commencement was made on this date.

FINSCHHAFEN	Dec.23		D.R.F. Pedestal completed, but would take two days for concrete to harden.	
	Dec.24		Return of O.C. Bty. from C.C.S. to Bty. His medical treatment to be continued in unit lines.	
	Dec.25		To carry out instructions received from L.C. 9 AUST DIV it was necessary for all ranks to be kept employed on this day - Christmas Day. However special arrangements for meals were made and a festive atmosphere created by the provision of turkey and other delicacies. Each member of the unit received a hamper from the Australian Comforts Fund. This contained a well selected range of articles, which were greatly appreciated by the troops. During afternoon a large friendly amphibious Invasion force passed to the NORTH. Fifty three vessels were sighted in this convoy. The D.R.F. was mounted on its pedestal and found to be out of adjustment, due possibly to mishandling in transit.	
	Dec.26		A.E.M.E. contacted and supplied a qualified instrument artificer to adjust D.R.F. and also to seal all optical instruments which had been affected by fungus caused by tropical humidity.	
	Dec.27		2nd Aust Fortress Sigs had been attached to FINSCHHAFEN area and for some time had been busily engaged in establishing communications to the following:-	
			H.Q. Finschhafen Base Sub Area. Port War Signal Station. C.A. Searchlight No. 1. " " " " No. 2. Unit domestic network.	
			The FINSCHHAFEN Port Director, Lieut-Cmdr. Northam, contacted and arrangements made to liaise with R.A.N. with respect to the defence of the port.	
	Dec.28		Work of placing camouflage of a fairly permanent nature commenced. Scrimming was placed on stretched wire netting and worn out green clothing utilised to thicken this up.

Unit "M" HY. BTY. (COAST) R.A.A. *Date and Time.—From* 1 December 1943 *To* 31 December 1943

Place	Date	Hour	Summary of Events and Information	Remarks and references to Appendices, Diaries, &c.
FINSCHHAFEN	Dec.28 to Dec.29		Instruction to members of Bty staff in the operation of the Depression Rangefinder with the object of making range-finding specialists. Improvements carried out by rest of personnel to gun positions.	
	Dec.30		As R.A.A. 9 AUST DIV had been continuously moving to the NORTH in the wake of advancing units this Bty. was placed under command first of 2/12 Fd. Regt and then the 2/6 Fd. Regt. on this date unit was instructed to provide a working party of 30 to load and unload operational stores for 9 AUST DIV. A protest was made on the ground that this would very seriously interfere with the fighting efficiency of the Bty. and also the improvement work under way. This protest was overruled.	
	Dec.31		The events outstanding during the month were the defeat and retreat from the area of the enemy, night bombing and strafing raids by Japanese aircraft, increased shipping activities both at LAGEMAK BAY and FINSCHHAFEN itself, completion of aerodrome, provision of A.A. defences.
