2. The wording of the two signature spaces at the foot of the message form will, therefore, be amended to read as follows :-

(Left-hand space)	(Right-hand space)
This message may be sent AS WRITTEN by any means + (except)	This message must be sent IN CIPHER if liable to interception or to fall into enemy hands.
(.....) Wireless	
Signature	Signature .....

+ Originator may delete "except" and insert "including".

3. To cover these amendments, the following "Procedure Signals" will be introduced for use over military circuits. The signals will not be employed over the civil system.

When signed in	Procedure Signal	Meaning.
Left-hand space with "except" deleted and "including" substituted.	----	That the message may be sent in clear by any means.
Left-hand space (AS WRITTEN except wireless).	B/C	That the message must be enciphered only if sent by wireless.
Right-hand space.	L/C	That the message must be enciphered if sent by any method liable to interception.

Lt-Col

4. "BWC" and "LIC" will be entered in the call and instructions space and will be signalled.

5. "LIC" replaces "ICW" and the use of this latter signal will be discontinued forthwith.

6. In the latest reprint of the message form, the word "except" has been omitted from the left-hand space. It will, therefore, be necessary for it to be inserted by the originator. In the final reprint of the message form, the word "except" will be printed.

7. The inter-Service use of NOTWT will be retained with the meaning that messages so marked must NOT be sent by wireless.

937. ORs VISITING CAIRO ON DUTY.

All ORs visiting Cairo on duty will report on arrival to C.O., A.I.F. Details, 13 Midan Ismailia, CAIRO.

938. DAMAGE TO CIVILIAN PROPERTY.

1. Recent instances have been reported of wanton damage caused to civilian property, by the erection of tents on growing crops, and the theft of fence posts, etc. for use as fuel on bivouacs. It has also been represented that threats of force have been made against property owners who protested.

2. It is impressed on all ranks that our good relations with the civilian populace must NOT be endangered, and acts of this nature are in direct conflict with our national aims in prosecuting the war against wanton aggression.

3. Officers and NCO's will ensure that disciplinary action is taken against personnel found destroying or stealing property or interfering with the natural rights of private citizens.

939. ALCOHOLIC LIQUOR IN HOSPITALS.

The sale of alcoholic liquor to patients in hospitals or the consumption thereof by patients is strictly forbidden, unless expressly approved by a responsible medical officer.

940. PAYMENT TO SOLDIERS UNDER ARREST.

1. Authority is given for soldiers under sentence or under arrest to draw money for, or to be issued with and charged for the cost of toilet, etc. necessities, to a maximum amount of 6d. per diem.

2. Except as provided in para 1, drawing against accrued credits will not be permitted while the soldier is under arrest or sentence.

941. COVERS, BODY, WATERPROOF.

It has been brought to notice that a large number of Covers, Body, Waterproof, have been removed from vehicles by units during operations and have been either lost or used for other purposes.

Such a practice is highly irregular and will cease forthwith.

The cover, Body, Waterproof, is part of the V.O.L. of a vehicle and must remain on the vehicle.

942. MAIL.

Attention is drawn to certain regulations which are not being observed :-

PTO

AUSTRALIAN WAR MEMORIAL AWM2019.366.3372

(1) Air-mail letters must be stamped at the rate of 9d per ½ oz. for ordinary letters and 3d. for Air Mail letter Cards.

(2) Mail for sea-transit, under 4 ozs, is free of postage. AIR MAIL envelopes must NOT be used for sea-transit letters.

(3) Parcels must show on the outside of the package the name and regimental number of the sender, the contents of the package and the value thereof in terms of Palestinian currency. Senders regiment should NOT be written on outside of parcels.

(4) Letters are continually arriving at RHQ for unit censor stamping unsigned on the envelopes by the censoring officer, although in many cases correctly signed at foot of enclosure. This indicates carelessness and necessitates troublesome resealing of envelopes, in addition to delay in despatch. Censoring Officers will pay special attention to the foregoing and ensure that censorship regulations are properly carried out and that all envelopes after sealing are signed before handing in to RHQ.

943. RATES OF PENSION PAYABLE FORTNIGHTLY TO DEPENDANTS TO OFFICERS AND OTHER RANKS, UPON DEATH ON ACTIVE SERVICE OUTSIDE AUSTRALIA. (AIF (AE) Order 809).

(1) Pensions are assessed on the member's rate of pay (including deferred pay). Items such as ration allowance, exchange adjustment, etc. are not included as items of pay for purposes of war pension assessment.

(2) WIDOWS. The rates shown in column (2) are the statutory rates prescribed in the First Schedule to the Repatriation Act. If such rate is less than 84/-. per fortnight, the Repatriation Commission has power to pay up to the higher rate. In the case of a widow with a dependent child or children (under 16 years of age) the policy is to pay her the higher rate of 84/- per fortnight, plus the rates for children, which are -- First child 20/- per fortnight; each other child 15/- per fortnight.

NOTE. Children's pensions are paid until they reach 16 years of age. In certain cases a child who has reached the age of 16 years and is, in the opinion of the Commissioner, unable to earn a livelihood, may be granted a pension at a rate to be determined by the Commission.

(3) In the case of a widow without dependent children, the Commission has the power to increase payments to a maximum of 84/-, according to the amount of other income she may have. Personal earnings are disregarded, but certain items of other income such as income from investments, are taken into account.

(4) Re Column 4. The rates shown are paid irrespective of whether the mother was dependent on the son, and irrespective of whether she had adequate means of support. To be eligible for a pension on such basis, the member must have been an unmarried son, and the mother must have been widowed at the time of, or within 3 years after, the member's death.

(5) Re Column 5. Mothers not within the class mentioned in para 4 above, and fathers, may be granted pension if at any time the parent is without adequate means of support, irrespective of whether the member was married or single, or whether the parent was dependent on him. Income and property are taken into account when assessing pensions payable under this heading.

944. THIEVING OF CIVILIAN CONTRACTORS' MATERIAL.

Many complaints have been received from civilian contractors in regard to theft of timber, bricks and other materials from new buildings under construction. This must be regarded as an offence and disciplinary action will be taken against offenders.

Cases have occurred where contractors' timber has been burnt in cookhouses and used for tent pegs. This practice will cease forthwith.

BCs will bring this matter under the notice of all ranks and will personally police all cookhouses to see that no contractors' timber is burnt.

One NCO in this unit is under arrest and a Court Martial charge arising out of damage to contractors' material.

As in ROs 329 of 25 Nov 41.

959. TNG SCHOOLS. (GS Instn No.70).

It has been reported that many students attending schools are under the impression that a course in war time is provided for relaxation. In consequence of this attitude, the percentage of failures is unusually high.

DCs will personally impress upon all students the necessity of putting forward their best endeavours, both from the point of view of the war effort in general, and the good name of the AIF in particular.

(5) It is incorrect for a soldier to have his hands in his pockets.

BCs will ensure that the above orders are brought to the notice of all ranks. Disobedience of this will result in immediate disciplinary action.

991. SALUTING.

There is an apparent misunderstanding in regard to the orders in regard to saluting. All other ranks will salute all offrs at all times anywhere within the camp area. This is the normal method of greeting an offr and also is an other ranks method of paying respect to the King's Commission which the offr holds. When speaking to or being spoken to by an offr all other ranks will stand to attention.

NCOs i/c squads will ensure that correct compliments are paid by squads when moving past an offr.

BCs will bring this to the notice of all ranks and will personally see that instns are given in the correct method of paying compliments with or without hats or arms.

990. DISCIPLINE - DRESS & TURNOUT.

The standard of discipline and degree of tng of a soldier is judged by his dress and general turnout. In general the dress and turnout of many members of the AIF leaves much to be desired and accordingly their discipline and tng is frequently criticised.

Such criticism should never be applied to members of the Royal Aust Arty of which we are all proud to be members. Thus the good reputation of the Arty is in the hands of everyone of you and it is up to you to uphold it.

The chief faults noticed are as follows :

(1) Hats are worn incorrectly with feminine tilts and dents which is NOT soldierly. There is only one way to wear a hat with a dent from front to rear.

(2) Top buttons of SD jackets and greatcoats are worn unbuttoned - this is incorrect.

(3) The standard dress laid down is NOT always complied with.

(4) Clothing and boots are frequently dirty.

(5) Personnel, particularly around cookhouses are frequently unshaven and unwashed. All personnel will be shaved by 0830 hrs daily.

Church Pde. Under Bty Arrangements.

1038. SUPPRESSION OF PILFERING AND "SCROUNGING".

(1) Vigorous action will be taken by all BCs to prevent loss of Govt property by petty theft, pilfering and grosser misappropriation. Losses through these causes have assumed serious proportions and are a direct hindrance to the successful prosecution of the war.

(2) Under the mistaken impression that "scrounging" is meritable, some BCs are condoning or punishing lightly thefts of this type. All losses of Govt property are to be investigated fully and offenders severely disciplined.

(3) Comd BCs are held responsible for safeguarding Govt property committed to their charge, and all Offrs, NCOs and men are impressed with their responsibilities in this regard.

(4) Inadequate action by BCs in taking protective measures, carrying out investigations into losses, or inflicting appropriate punishment within the powers delegated to them, will be viewed seriously.

1039. LOSSES OF PAYBOOKS.

The marked increase in the number of paybook losses indicates that personnel are not taking sufficient precautionary measures for their safe custody, and all ranks are impressed with the importance of carrying paybooks where they are not easily obtainable by pick-pockets etc.

The habit of carrying money inside the paybook is a contributing factor to the loss. Once the money is sighted, the possibility of the paybook being stolen becomes a strong likelihood. BCs will discourage soldiers carrying money inside their paybooks.

1040. REPATRIATION BENEFITS - PERSONNEL DISCHARGED FOR MISCONDUCT.

The attention of all ranks is drawn to the fact that when members are discharged or their appointments are terminated owing to misconduct, they will not be entitled to repatriation benefits, which include Vocational Training, assistance in obtaining civil employment and provision of tools of trade.

1041. ILLEGAL DISPOSAL OF TOBACCO AND CIGARETTES.

Disposal to persons not entitled to Customs Exemption, of tobacco and cigarettes admitted free to the Middle East for members of the Forces, is prohibited and will be regarded as a serious offence.

1042. CANTEEN PROFITS DISTRIBUTION.

Canteen profits amounting to £A16,763-11-6 have been distributed for the month of August. Total amount distributed to 31 Aug 41 is £A110,712-2-7.
