NOTICE

PARAGRAPH 1. **GIFT PARCELS FOR THE UNITED KINGDOM ADDRESSEES - DUTY FREE CONCESSION.**

(a). The following are the conditions applicable as from 20th Oct 44:-

(i). The usual postage rates are payable.

(ii). Parcels must not weigh more than 5 lbs each and must not include-

(a). Any drinkable spirits;

(b). More than ½ lb total weight of tobacco, including cigars and cigarettes (200 cigarettes or 50 cigars) or any tobacco goods marked "HM Ships only" ;

(c). More than ½ pint scent;

(d). More than 2 lbs of any one foodstuff.

(iii). The maximum value of the contents of parcels which can now be sent by one individual sender in any one year is £8, and this value may be made up as follows :-

(a). One parcel of £8 value, or

(b). Two or more parcels up to a maximum of four parcels aggregating £8 value.

(iv). Special Customs declarations (AFs W5192) must be affixed to all parcels in order to secure the duty free concession. These declarations, where not already in posession of Units, are obtainable through the normal Stationery channels.

(v). Issues to personnel will be under unit arrangements, on the basis of a maximum of four AFs W5192 per year to any one sender. A comparatively few forms should, therefore, suffice for the needs of any Unit.

(vi). Each AF W5192 issued will have entered upon it the senders number and name and be signed by the issuing officer in the space provided.

(vii). Each customs declaration represents a permissible value of £2 within the parcel to which it is attached.

(viii). Where the value of the contents in any one parcel exceeds £2, a further declaration for each additional £2 (or fraction - thereof), up to the maximum of £8, must be attached, e.g., a parcel containing goods to the declared value of £6 would require three labels attached.

Paragraph 2.

It is stressed that full duty will be levied in the United Kingdom (for collection from the addressees) in respect of any contents of parcels which infringe the restrictions contained in para 2 (ii) above. In addition to these duty charges, the contents of any parcel not bearing a customs regulation, received into the United Kingdom, are subject to purchase tax amounting in many cases to 100 per cent of the value of such contents. Thus tax is chargeable on most manufactured articles, but tobacco and foodstuffs are excluded.

AUSTRALIAN IMPERIAL FORCES

ROUTINE ORDER PART I

BY

MAJOR D.R. CULLEN. AERIAL 32
Date 20 Nov 44

ADM COMD 2/25 AUST FIPK COY RAE

PARAGRAPH 1. AIR LETTER SERVICE

1. The Postmaster-General's Department has introduced an Air Letter Service, in addition tothe existing Airmail and Airgraph facilities, for overseas correspondence. This service is available for communications -

(a) To Australian and other Empire Forces, overseas and British Merchant Seamen;

(b) To civilians in most parts of the British Empire, other than Canadian, and in certain specified neutral countries; and

(c) To prisoners of War in Europe. It will provide a considerably faster service than the normal Airmail.

2. When this service is used, the letter will be written on the special Air letter form, which is obtainable at Army and civil post offices at a cost of 7d, details as regards procedure can be obtained at the Orderly Room.

PARAGRAPH 1. LIFE ASSURANCE POLICIES TAKEN OUT BY MEMBERS OF THE FORCES

1. Life assurance policies taken out by members of the forces on their own lives after Sept, 1939, usually contain a war clause which imposes upon the member assured, if he wishes to remain covered under his policy for the full sum assured while serving outside the Commonwealth, the obligation of -

(a) informing the life assurance office concerned of his departure from Australia and the date thereof; and

(b) payment to that office of an extra war loading premium.

2. Certain life assurance offices regard the territories of Papua and New Guinea as being, for this purpose, outside the Commonwealth, and there are variations in the rate of war loading premiums charged by different offices, while, in some circumstances, an office may not be prepared to cover the additional risk and may, therefore, refuse to quote any extra premium. A member who derires to remain covered while serving outside the Commonwealth should ascertain from the office concerned to what areas the existing cover extends and what rates of war loading premiums are required should he serve outside those areas.

3. If the member subsequently embarks for service outside the Commonwealth, he may arrange through Army channels -

(a) for payment of the amount of extra war loading premium (as previously ascertained by him) to the Office concerned, by means of a remittance of undrawn pay; and

AUSTRALIAN WAR MEMORIAL AWM2020.71.3173

(cont)

(b) For notice of the date of embarkation to be given to that office by the DFO when paying the remittance. The member will attach to the remittance form a letter requesting the giving of the notice mentioned in sub-para (b) of this paragraph.

4. For security reasons, direct notification by members to life assurance offices of their impending or actual embarkation is strictly prohibited.
