9. PACKING OF STORES, WAR EQUIPMENT, ETC.

Special care will be devoted to the packing of instruments and valuable and small items of equipment which may readily be injured by rough handling.

It is of the utmost importance that particular attention be paid to the packing of all stores, etc., and that only STRONG and SOUND cases or crates, preferably bound with hoop-iron or wire are used.

The weight of packages should not exceed one hundredweight otherwise difficulty is experienced in trans-shipment and at destination.

Unit serial numbers and distinguishing marks must be clearly shown on one end and one side of all packages.

Stores "Wanted on Voyage" should be clearly marked if convenient stowage is required. The Embarkation Staff cannot accept responsibility for accessible stowage of "Wanted on Voyage" stores in the absence of distinguishing labels.

The S.S.T.O. is authorized to reject any stores for shipment which, in his opinion or that of the ship's agent, are insufficiently packed. Broken or damaged cases or crates of stores will also be rejected for shipment.

10. MARKING OF UNIT BAGGAGE, STORES AND WAR EQUIPMENT.

Unit baggage and War Equipment will be marked as shown in Standing Orders, A.I.F., Chapter V111, paras 147 and 148.

11. BLANKETS.

Two copies should be in the possession of C.O. Unit on arrival at port of disembarkation for checking delivery ex ship and ex train.

Units are to understand that responsibility for their stores, under the direction of Embarkation Staff, remains with them and baggage officers are not to assume that when equipment and stores are forwarded to the wharf that their responsibility ceases. It is most important that these officers exercise the utmost care and supervision of their stores on shipment, during the voyage, and on discharge.

APPENDIX 1.

EMBARKATION.

INSTRUCTIONS FOR SECURITY.

INFORMATION.

The following Instructions are issued in amplification of Standing Orders A.I.F. Chapter V111 (Movement) and Chapter XV1 (Intelligence and Security) in conjunction with which they should be read :-

1. REFERENCE TO IMPENDING EMBARKATION - GENERAL.

In order to confine to an absolute minimum the number of persons possessing knowledge of troop movements, it must be ensured that NO person be given any information whatsoever regarding names, and other details of transports, sailing times, destination, etc. unless his duty definitely requires that he receive the information AND THEN NO EARLIER THAN IS NECESSARY FOR HIM TO PERFORM HIS DUTIES. All such persons will be adequately instructed in regard to Security precautions upon receiving the required information (Standing Orders A.I.F. para 522). In particular, information as to date of embarkation and sailing should be withheld as long as possible and made known to as few as possible.

2. UNITS EMBARKING.

Upon being warned for embarkation, every member of a unit will be fully instructed as to his responsibilities in regard to the preservation of Security of Information and the results which might follow upon any reference to outside persons concerning the date, manner or place of their impending departure (Standing Orders A.I.F. paras 520 and 521.)

3. ORDERS.

Camp Orders of personnel officially approved for embarkation will NOT at any time be posted up in any part of a Camp.

4. ADVANCE PARTIES (including Ship's Staff and Unit Advance Parties.)

(a) Personnel required for duty with an Advance Party will be warned personally by the Officer Commanding the party, and, having been warned, will be instructed that on NO account must they discuss the matter with any person other than the Officer by whom they are warned, except under his authority in the performance of their duties.

(b) The time interval between the embarkation of advance parties and the day of embarkation should be varied in order to avoid intelligent conjecture of the date of sailing.

(c) Members of Advance Parties, once embarked, will on NO account leave the transport except on special duty with the permission of the G.O.C., Embarkation Staff or O.C. Troops (Standing Orders A.I.F. Chapter V111, para 165.)

(d) They will not communicate with the shore except as provided in 4 (c) above.

(e) The detailing of Advance Parties will NOT be carried out until as close as possible to the actual time set down for their departure from the Camp.

(f) The reason for which members of Advance Parties have marched out will NOT on any account be included in any marching out state or routine order.

/(g)

AUSTRALIAN WAR MEMORIAL AWM2020.71.3247

(g) The O.C. Troops will be responsible for instructing members of Advance Parties on arrival on board the transport as to the Security measures to be observed pending the embarkation of the main body.

5. DAY OF EMBARKATION.

(i) Prior to being marched out of Camp to railhead on the day of embarkation, all ranks will be given final instructions as to Security requirements for the journey to the point of embarkation and during the actual embarkation in accordance with the relevant portions of Standing Orders A.I.F., Chapter XVI (Intelligence and Security).

(ii) During the journey to the point of embarkation, troops will be prevented as far as possible from conversing or otherwise communicating with civilians. (Standing Orders, A.I.F. Chapter XVI, para 524.)

(iii) When embarkation has been completed the O.C. Troops will be responsible for ensuring at the earliest opportunity that all ranks are adequately instructed regarding Security arrangements for the voyage.

6. CHAPLAINS (not already on strength of embarking Units).

Chaplains not already on the strength of an embarking Unit, on reporting to an Embarkation Staff Officer for final instructions regarding embarkation will be warned in a similar manner to troops of the danger attendant upon disclosures of information concerning movement of troops and will be required to sign a simple declaration of secrecy. At the same time, they will be warned regarding the safe-keeping of any documents which they may receive in connection with their impending departure.

Notifications requesting Chaplains to present themselves at an Embarkation Staff Officer's office for instructions will include a warning as to the secret nature of the communication.

7. MEDICAL OFFICERS (not already on strength of embarking units).

Medical Officers not already on the strength of an embarking unit will be instructed in regard to Security of Information in a similar manner to Chaplains. They will not, however, be required to sign a declaration of secrecy.

8. PHILANTHROPIC ORGANIZATIONS.

(a) Philanthropic organizations will NOT be notified of an impending embarkation until as close as possible, commensurate with actual requirements, to the date of sailing.

(b) Secretaries of Philanthropic Organizations will, on being advised of an impending embarkation, at the same time, be impressed not only with their own responsibilities in regard to the security of the information entrusted to them but also the responsibilities of their staffs and other persons connected with their organizations in this regard.

(c) They will be instructed that, on informing representatives of their organizations who are to embark, of the date on which they are to report to an Embarkation Staff Officer for final instructions, it must be impressed on such representatives that on NO account must the matter be discussed with any other person.

(d) Representatives of philanthropic organizations on being informed by an Embarkation Staff Officer of the actual date on which they are to embark, will be duly instructed as to the paramount importance of not disclosing the information received

(continued on back) /and

(d) Continued-

and will be required to sign a simple declaration of secrecy. At the same time, they will be specially warned regarding the safe-keeping of any documents which they may receive in connection with their impending departure.

9. DOCUMENTS.

(a) It must be continually impressed upon all Officers, both military and civil, that they are personally responsible for the Security of any document passed to them in the course of their duties and that any negligence in this regard renders them liable to severe disciplinary action.

(b) Drafts of communications and orders, used stencil sheets or any other document relating to movement of troops or shipping, will NOT be consigned to the waste paper basket or disposed of in any other manner which would tend to facilitate their coming into the hands of unauthorized persons. They will be destroyed by fire as soon as no longer required.

10. RESPONSIBILITY OF COMMANDERS.

The responsibility of Formation and Unit Commanders in regard to the preservation of Security of Information within their Commands cannot be too strongly stressed and the instruction of all ranks in this respect should be regarded as a normal aspect of training.
