It is certified that no explosive ordnance remains in these Areas

2. As far as the mature of the territory to be cleared has allowed, a thorough search for any other dumps in the area has been made. Copies of maps showing loostion and intended loostion of bomb and and ammo dumps from the Japanese on 4 May 45 were received by this Platoon

and ammo damps from the Japanese on 4 May 45 were received by this Platoon from NR NE 6 Div. Though the maps proved by no means acountate they were heighful; some dumps were lossted as marked on the maps while a;; other areas indicated were themself thoroughly searched.

To aid further in the location of UNEs, oc-operation was enlisted of Malarial control Units. Information from these Units proved most useful and all UNEs reported have been destroyed or removed.
