AUSTRALIAN WAR MEMORIAL AWM2020.71.4435

AUSTRALIAN MILITARY FORCES.

HISTORY - 2/2 AUST DOCKS OPERATING COY - "C" TYPE.

1. Having completed service at Port Moresby from 9 Sept, 42, to 17 Jul, 43 this unit was relieved by 2/1 Aust Docks Operating Coy. The final tonnage handled being 905776 tons measurement.

The unit embarked on H.T. "KATOOMBA", sailing from Port Moresby on the afternoon of the 17 Jul 43, and arriving at Townsville approximately 0100 hours on the 20 Jul 43.

Immediately on disembarkation, the unit entrained for Brisbane arriving there on the 22 Jul 43; staging at Kalinga, from which camp all Queensland personnel were granted leave, other state personnel proceeding south to their respective states from where they were granted leave. Period of leave granted was twenty four (24) days.

Unit commenced to re-group at R.A.E.T.C. Wagga attached to 4 Battalion as from 23 Aug 43; training of an elementary nature was commenced, but owing to the implementation of the reorganization from a "B" Type Company to a "C" Type Company and the receipt of a warning Order for Movement, training was discarded in favour of re-equipping personnel and the absorption of re-inforcement; approximately eighty (80), most of whom were South Australians, totally unskilled in the workings of this type of unit.

Thus the task of preparing the unit was a large one in so much as the original 2/2 Aust Docks Operating Coy "B" Type became the neucleus of the 2/2 Aust Docks Operating Coy "C" Type and the 7 Aust Docks Operating Coy "C" Type.

On the evening of the 16 Sept 43 the unit moved out from 4 Battalion R.A.E.T.C. Wagga to Kapooka, where it entrained for the north, with Major S.L. Patterson in command.

The official personnel of the new unit as starting movement is as attached Nominal Roll No. 1.

At Sydney, on the 17 Sept 43 Capt G.T. Sheppard and Lieut A.J. Hawkes were taken off the train to complete their onward movement by air. At this time No. 2 Platoon of 1 Aust Port Maintenance was added to the draft. The unit arrived at Brisbane on the morning of the 18 Sept 43, from whence they were taken to Kalinga Staging Camp to complete the equipping of the unit and the rendering of the personnel to the D.P.I. standard prior to movement and embarkation.

2. The unit embarked per SS "ANHUI" on the 21 Sept 43 as per Nominal Roll No 2. (attached) Only sixty three (63) days since the arrival back on the mainland

AUSTRALIAN WAR MEMORIAL AWM2020.71.4435

The troopship was very overcrowded and the facilities availbale were not sufficient for the nine hundred and eighty (980) personnel aboard the vessel, of which consequence the trip to Townsville produced far more medical complaints than were normal.

The ship arrived at Townsville on the 25 Sept 43, and then laid at anchorage for a period of nine (9) days, during which time repeated requests were made by the O.C. Troops for a Medical Officer, eventually one arrived aboard on the 2 Oct 43.

At midnight on the 30ct 43, the SS "ANHUI" moved off into the convoy which consisted of the following vessels :-

S S "ANHUI"
S S "ALAMO"
S S "BONTEKOE"
S S "HANYANG"
S S "MANGOLA"
S S "NANCY HANKS"
S S "H.S. SIBLEY"
S S "VAN OUTHORN"
TANKER BISHOPDALE

H.M.A.S. "BOWEN"
H.M.A.S. "GYMPIE"
H.M.A.S. "GLADSTONE"
H.M.A.S. "BUNBURY"

The convoy stopped off at Milne Bay whilst the S.S. "ANHUI" sailed on, duly reaching Buna on the 8 Oct, 43 after a rather uncomfortable voyage, and all on board were more than happy to disembark - forty (40) personnel less then when the unit commenced movement - mainly due to evacuated sick and A.W.L.

Major R. C. Ballantyne, Docks Supt., N.G.F. met the unit on arrival at Buna.

Capt. G.T. Sheppard and Lieut A.J. Hawkes had a camp site selected and a meal ready, which was a welcome sight. The unit was given until the morning of the 10 Oct 43 to get their "land legs" back again, then work was commenced, assisting the 6 Aust Docks Operating Coy, who were in the port.

Our re-inforcements were to be initiated in the hard way as the "Son of Nippon" put on eighteen Air Alerts during the next twenty one days, none of which luckily, caused any damage or casualities.

On the 16 Oct 43 the first advance detachment for the Port of Lae embarked at Buna on L.C.M's. The personnel under command of Lieut A.J. Hawkes. They travelled via Morobe, Tambu and Salamaua reaching Lae on the 19 Oct 43. A camp site was selected and preparations started to accomodate other detachments of the unit that were to follow on.

On the 19 Oct 43, the second party under Command of Capt G.T. Sheppard were embarked at Buna aboard the M.V. "CAPE GREIG", arriving at Lae on the 20 Oct 43, being the first large vessel to enter the Port since it's recapture from "Tojo" in the September. Arrangements were made to start discharging the vessel immediately, and with skeleton gangs the ship was completed on the 25 Oct, 43 a total of 9373 Meas. tons being handled. The men worked in twelve hour

AUSTRALIAN WAR MEMORIAL AWM2020.71.4435

shifts, many of them not even seeing their future home in daylight until the task had been completed.

On the 25 Oct 43, a third detachment in charge of Lieut J.M. Murphy embarked on L.C.T's at Buna and proceeded to Lae reaching there on the evening of the 26 Oct 43.

On the 26 Oct 43 the Headquarters of the unit under Command of Major S.L. Patterson left Buna on the S.S. "BONNEVILLE" bound for Lae which was reached on the morning of the 27 Oct, 43.

On the 30 Oct 43, yet another detachment with QX 5255 WO 11 Gaffney in charge embarked at Buna on L.S.T's, but this time they were headed for the port of FINSCHAFFEN, arriving there on the 1 Nov, 43, their camp actually being about one and a half miles in advance of the 9 Aust Division Headquarters. This detachment carried out the first discharge of cargo vessels for this port, namely the S.S. "BINGARRA" and the S.S. "MELINGA".

On the 1 Nov 43 the main body of the rear detachment under the command of Lieut R.H.E. McDonald were embarked from Buna on L.C.T's and arriving in Lae on the 2 Nov 43.

On 10 Nov, 43, the remaining twelve personnel at Buna in charge of Cpl. A.D. Spankie embarked on the AS 11, arriving at Lae on the 12 Nov 43, the unit was now, with the exception of the Finschaffen detachment, once more regrouped. The port of Lae was worked continiously whilst the various movements were being made, plus the added work of camp construction; the Detachment from Finschaffen duly arrived back on the 29 Nov 43.

3. The camp site at Malahang Beach was originally a Japanese site, in close proximity to the "MYOKO MARU" wreck. The cleaning up and making of a decent camp was to be quite a large sized task.

Work was carried out intermittently until Xmas, when six hours were taken off to celebrate the occasion. After the Xmas a swimming carnival was held, for prizes donated by the Officers & N.C.O's of the unit, it turned out to be a great success and finished up with all ranks from the O.C. downwards being unceremoniously thrown into the river, an omen of a happy unit anticipating the task ahead. At six P.M. work was again commenced which was to see no further let-up until December, 1944.

On the 31 Dec, 43 a liberty ship the S.S. "ROBERT STUART" with 11,400 tons of cargo was commenced, being finished in the time record of 168 hours, which earned a COMMENDATION for the task, and in the ensuing few months another two COMMENDATIONS were added to the history of the unit.

On the 6 Dec 43 the first wooden constructed dock in this area was put into operation, No. 2 Docks being in use towards the end of the same month, the two docks were constructed in thirty nine days by an American Engineering unit, a very noteworthy effort.

AUSTRALIAN WAR MEMORIAL AWM2020.71.4435

On the 10 Jan 44 Major R.C. Ballantyne returned to take command of the company as Major S.L. Patterson was returning to his old Command the 2/3 Aust Docks Operating Coy.

The amount of work put into the camp site :- clearing scrub, installing of hot water systems for showers and cookhouses, mess huts, recreation hut, sleeping huts, carting of gravel and laying of same took about four months, the best part of the heavy work being done by the "boys'" in their off-shift periods, added to which was the no mean task of assistance given by No. 2 Platoon, 1 Aust Port Maintenance personnel. The work result was recognised as the best camp in the Base Area, but the task really had to be seen to be appreciated, and realize the toughness that went with the building of it. There was absolutely no break in the continuity of the shipping operations until December 1944 - twelve full months of non-stop stevedoring.

During the year several other Docks units came into the port for short stays and their assistance was readily appreciated to try and diminish the taks which at times seemed practically unsurmountable, for every ship leaving the port there seemed to be two to take its place.

The first of the companies to arrive was 6 Aust Docks Operating Coy who arrived from Buna on the 25 Jan 44, and remained until the 14 Mar 44 when they embarked on the S.S. "BONTEKOE" for return to the mainland.

The next unit to put into the port was a detachment from 7 Aust Docks Operating Coy who arrived from Finschaffen on the 28 Mar, 44 and eventually leaving again for Finschaffen on the 9 Apr 44.

On the entry in Aug 44, of the 4 Aust Docks Operating Coy work was still at a premium, and they remained until they embarked on the M.V. "DUNTROON" on the 18 Sept 44 for return to the mainland.

2/31 Aust Docks Operating Coy arrived in Lae on the 18 Sept 44 and mainly supplied the labour for working vessels at some of the smaller ports arcund the coast, finally leaving us on the 21 Dec, 44 to take over the port of Madang from the 7 Aust Docks Operating Coy Detachment.

33 Aust Docks Operating Coy staged through the area from Oct 44 until the 6 Nov 44 when they moved further forward, to us it meant that the 2/2 was still carrying on and awaiting the day that Dame Fortune would smile on us for a weel earned rest, as the month of December 1944 completed twenty five (25) months of operations in the S.W.P.A. since Sept 1942.

4. On the 9 Jun 44 No. 1 wharf subsided after a heavy storm and minor earth disturbances. Work was then carried on with a floating "Can Dock" which had been put into position at Voco Beach, which owing to the open nature of the water front was finally washed onto the beach in Sept, 44, it was then transferred to Milford Haven Beach and became No. 3 Dock.

AUSTRALIAN WAR MEMORIAL AWM2020.71.4435

During the month of June 1944 VX 51996 Lieut Murphy J.M. was transferred to 8 Aust Docks Op Coy.

During the months of June, July and October replacement and re-inforcement Officer were made available to bring the unit to full strength of Officers for the first time as a "C" Type Coy. The names of Officers being :-

NX 112234 Lieut J.E. MARR
NX 111519 Lieut L.A.F. DUNSHEA.
NX 59537 Lieut N.S. WRIGHT.

On the 20 Nov 44 Major R.C. Ballantyne returned to the mainland on leave, whilst Capt. G.T. Sheppard took over Administering Command during the absence.

On the 5 Dec 44 the unit suffered its first fatality when SX 28870 Spr Wiseman M. was accidentally drowned in the execution of his duty, the first fatal accident since the inception of the unit in January 1942 in the Middle East. Arising out of the related accident QX 30862 Spr TYSALL, G. was recommended for a "Mention in Despatch".

On the 7 Dec 44 No. 4 wharf at Milford Haven was opened - the first Australina Dock to be erected in this area.

On the 25 Dec 44 our O.C., now Lt-Col. S.L. PATTERSON CRE 3 Aust Docks Group was the guest of honor at the Xmas Dinner, our third in succession in New Guinea.

Summing up, at the end of the year 1944, the unit had an amount of operational tasks weel done and, something of which to be proud.

The complete statistical records of the tonnages by this unit as a "C" Type Company are set out on a montly basis for each port worked. They are attached sa as to be guidance and assistance.

1. MISUSE OF GREEN ENVELOPES - Extract Lae Base R.Os A70.

1. Several cases have recently been reported by Base Censors in which letters posted in green envelopes have been found to contain scurrilous and indecent matter concerning members of the Women's Services.

2. Any member who attempts to transmit under cover of a green envelope statements tending to bring into disrepute members of the Women's Services commits two offences:-

(a) He makes a false certificate regarding the nature of the contents of the letter, which constitutes a misuse of the privilege granted to users of green envelopes.

(b) He writes matter which is in itself censorable under GRO G371/44 para (a), irrespective of whether it is contained in a green envelope or not.

3. In future, breaches of censorship of this nature will be treated as a serious offence and punished accordingly.

4. In cases of misuse of green envelopes, CO's will withdraw the privilege of using such envelopes from the member concerned.
