IAR DiARY

Our Gracious and it rund Meavenly Father we thank Thee for this privilers of working. We praise thy mane, for the "anders of Thy Creation. We thank for the guidance of Thine over-ruling providence. We lift up our hearts on beiaf of our fallen courneds. We desire not that Thou will consider their sins but actept their sacrifice as well pleasing in Thy Sight. We thank the that the sacrifice of our belowed courneds has taught us something of Thy will. It has taught us to look to Thy belowed Son who sacrifice at Haself, not for our sins only, but for the sins of the whole world. As his sacrifice is above human sacrifice, as far as the beavens are above the earth, nevertheless, will Thou take the imperfect offering of our fallen, and our imperfect knowledge and love, and make then all complete in Him.

We seek Thy sustaining Power and Conforting Love for the Bercaved. They long for the touch of a variased hand and the sound of a voice that is still. Be Thou their support and their strength all their days. Nelp them to find desper riches in the service of ot ers. We ask all these tWings in the Hame of Jesus Christ Our Lord - - - Amen.

The Lord's Prayer will be recited by all.

	19	1400	Combined Regt and Carrier Coy Rugby league team played 2/9 En team and were defeated by 15 points to 3.	
		1830	Sgts' Mess held a final formal dinner, inviting the CO (Maj Reading), Adjt, QM, Chaplain, also the OC 2/7 Aust Div Carrier Coy as guests. In addition there were sgts from the 2/31 and 2/33 Aust Inf Bms. The evening was a great success, attributabe only to the mixing of lemon exence with run and the willingness of	
			all members to drink it. This tonic was definately necessary because the breaking up of a unit IS NOT a happy occasion.	

How the sgts get away tomorrow, when the unit is disbanded physically had better remain unsung.
